1 Name of Determination [see Note 1]

This Determination is the *Radiocommunications (Charges) Determination 2007*.

2 Commencement

This Determination commences on 1 July 2007.

3 Revocation

The *Radiocommunications (Charges) Determination 2006* is revoked.

4 Definitions

(1) In this Determination:

ACMA means the Australian Communications and Media Authority.

ACMA Act means the *Australian Communications and Media Authority Act 2005*.

accredited person means a person accredited under section 263 of the Radiocommunications Act to issue frequency assignment certificates mentioned in subsection 100 (4A) of the Radiocommunications Act.

aeronautical assigned system station has the same meaning as in the *Radiocommunications Licence Conditions (Aeronautical Licence) Determination No. 1 of 1997*.

anniversary of effect, for a licence, means an anniversary of the day when the licence comes into force for subsections 103 (1) or 130 (4) of the Radiocommunications Act.

body scanner means a scanner that is capable of detecting metallic and non-metallic items on a person by using millimetre-wave radio frequency technology.

frequency assignment certificate means a certificate issued by a person accredited under section 263 of the Radiocommunications Act for the purposes of section 100 of the Radiocommunications Act.

GST has the meaning given by section 195-1 of the *A New Tax System (Goods and Services Tax) Act 1999*.

hourly rate — see section 7 and item 1 of Schedule 1.

instalment of tax means an amount of tax payable:

- (a) on the anniversary of the date of effect of an instrument; or
- (b) on the holding of an instrument.

minimum charge — see section 7 and item 4 of Schedule 1.

non-assigned licence means a licence issued with no frequency assigned or with a pre-defined frequency defined where the ACMA does not perform co-ordination work.

partial test means:

- (a) a test or retest of a device that is a transmitter only or a receiver only; and

- (b) for a device that is both a transmitter and a receiver — a test or retest of the transmitter only or the receiver only.

Radiocommunications Act means the *Radiocommunications Act 1992*.

remote station includes a station referred to on a licence as a **remote control station**.

retest — see section 6.

special hourly rate A — see section 7 and item 2 of Schedule 1.

special hourly rate B — see section 7 and item 3 of Schedule 1.

spectrum access means access to the spectrum that is authorised for the operation of 1 or more radiocommunications devices that involves a unique combination of:

- (a) a particular frequency; and
- (b) a particular bandwidth; and
- (c) a particular site or access area.

spectrum re-allocation declaration means the *Radiocommunications (Spectrum Re-allocation) Declaration No. 1 of 2005*.

Tax Act means either of the following Acts:

- (a) the *Radiocommunications (Receiver Licence Tax) Act 1983*;
- (b) the *Radiocommunications (Transmitter Licence Tax) Act 1983*.

wireless audio system means a system, consisting of more than one land mobile station, that:

- (a) is operated under a land mobile licence;
- (b) is operated primarily to transmit audio information between land mobile stations;
- (c) has an emission bandwidth greater than 100 kHz;
- (d) uses assigned frequencies within a range of frequencies specified in the land mobile licence; and
- (e) operates at a power not exceeding 250 mW EIRP.

- (2) Unless the contrary intention appears, an expression that is used in this Determination and that is defined in the *Radiocommunications (Interpretation) Determination 2000* has the same meaning in this Determination as it has in that Determination.

5 Charges — general

The charges fixed in this Determination have been calculated in accordance with subsection 60 (1) of the ACMA Act and reasonably relate to the expenses incurred by the ACMA in relation to the service or matter to which the charge relates.

6 Retests

- (1) Subsection (2) applies if a device:
 - (a) has been tested under section 101 of the Radiocommunications Act (the **initial test**); and

-
- (b) is tested (the *later test*) after the initial test.
 - (2) For this Determination, the *later test* is a retest:
 - (a) if:
 - (i) the device did not comply with all requirements in the initial test; and
 - (ii) the later test only relates to all or some of the requirements with which the device did not comply; or
 - (b) if it is conducted only in relation to parts of the device that have been subject to technical modification after the initial test.

7 Hourly rates and minimum charge

For this Determination, the hourly rates of charge and the minimum charge are described in Schedule 1.

8 Persons who are not required to pay certain charges

- (1) A person who is exempt, under regulation 5 of the Radiocommunications Taxes Collection Regulations (being Statutory Rules 1985 No. 200, as amended), from the payment of tax in respect of apparatus licences is not required to pay an amount in relation to the issue, renewal or transfer of a licence mentioned in this Determination.
- (2) A person is not required to pay the charge mentioned in section 13 (which relates to varying a condition of a licence that relates to the technical operation or location of a device) if:
 - (a) the licence is a fixed licence for the operation of a point to point station on 2010 to 2025 MHz (the *current frequency*); and
 - (b) the application for the variation of the condition is made as part of the person ending a service on the current frequency, using the point to point station, because of a spectrum re-allocation declaration; and
 - (c) the ACMA is satisfied that the service provided after the variation, using the point to point station, will not exceed the range and effect of the service provided on the current frequency.
- (3) A person is not required to pay the charge mentioned in item 6.9 of Schedule 2 (which relates to the issue of a fixed licence for the operation of a point to point station) if:
 - (a) the person holds, or held, a fixed licence for the operation of a point to point station on 2010 to 2025 MHz (the *current frequency*); and
 - (b) the person applies for the issue of another fixed licence for the operation of a point to point station on another frequency; and
 - (c) the application is made as part of the person ending a service on the current frequency, using the point to point station, because of a spectrum re-allocation declaration; and
 - (d) the ACMA is satisfied that the service on the other frequency, using the point to point station, will not exceed the range and effect of the service provided on the current frequency.

9 Charges relating to the ACMA's costs

- (1) Subject to subsection 11 (12) and sections 12, 15, 16, 17, 20 and 21, for the purposes of section 60 of the ACMA Act, the charge mentioned in column 3 of an item in Schedule 2 is the charge fixed for:
 - (a) provision of a service or matter mentioned in column 2 of the item; or
 - (b) the service or matter mentioned in column 2 of the item, in relation to which expenses are incurred or to be incurred by the ACMA; as the case requires.
- (2) The charge includes GST if applicable.

10 Remote and supplementary stations

- (1) If an item in Schedule 2 refers to the issue or renewal, or consideration of the issue or renewal, of a licence for the operation of a station or stations in a particular class, the item also applies to a licence that authorises the operation of:
 - (a) a station or stations in the class; and
 - (b) remote or supplementary stations.
- (2) In calculating:
 - (a) the charge imposed for the issue or renewal, or consideration of the issue or renewal, of a licence on an assigned basis in accordance with Part 6 or Part 8 of Schedule 2; and
 - (b) a charge imposed under section 17;
the authorisation of the operation of remote stations on transmit frequencies that are the same as the receive frequency of the principal station or stations is to be disregarded.

11 By whom and when is a charge payable?

- (1) The charges fixed under section 13 are payable:
 - (a) by the applicant for the notice under section 111 of the Radiocommunications Act; and
 - (b) when:
 - (i) the notice is given; or
 - (ii) the application for the notice is refused; or
 - (iii) the application for the notice is withdrawn after consideration of the application by the ACMA has begun.

Note A charge mentioned in regulation 13 is payable only if the ACMA considers the application for the notice.

- (2) The charge mentioned in subsection 14 (1) is payable:
 - (a) by the person for whom the service or matter is provided; and
 - (b) on the issue to the person of an invoice for the charge.
- (3) The charge mentioned in subsection 14 (2) is payable:
 - (a) by the person for whom the expenses were incurred; and
 - (b) on the issue to the person of an invoice for the charge.

-
- (4) The charge mentioned in section 17 or 20 is payable:
- (a) by the holder of the licence to which the charge relates; and
 - (b) at the time at which the tax to which the charge relates is payable under the *Radiocommunications Taxes Collection Act 1983*.
- (5) The charge for a service or matter mentioned in subsection 12 (1) is payable:
- (a) by the applicant for the test report to which the service or matter relates; and
 - (b) when the application or request for the service or matter is made or on the issue of an invoice for the charge.
- (6) The charge for a service or matter mentioned in subsection 12 (2) or (3), or in Part 1 of Schedule 2, is payable:
- (a) by the applicant for the test report to which the service or matter relates; and
 - (b) when the application or request for the service or matter is made or on the issue of an invoice for the charge.
- (7) A charge mentioned in Part 2 of Schedule 2 is payable:
- (a) by the person for whom the service or matter is provided; and
 - (b) on the issue to the person of an invoice for the charge.
- (8) A charge mentioned in Part 3 of Schedule 2 is payable:
- (a) by the person to whom the document mentioned in column 2 of the relevant item is, or would have been, issued; and
 - (b) when:
 - (i) the document is issued; or
 - (ii) in the case of an document mentioned in item 3.3 or 3.4 of Schedule 2:
 - (A) the application for the issue of the document is refused, or taken to have been refused; or
 - (B) the application for the issue of the document is withdrawn after consideration of the application by the ACMA has begun;as the case requires.
- Note* A charge mentioned in item 3.3 or 3.4 of Schedule 2 is payable only if the document is issued or the ACMA considers the issue of the document without proceeding to issue or renew it. A charge mentioned in item 3.1 or 3.2 of Schedule 2 is payable only if the ACMA issues the document.
- (9) A charge mentioned in Part 4 of Schedule 2 is payable:
- (a) by the examinee; and
 - (b) before the commencement of the examination, the part of an examination, or the reassessment, as the case may be.
- (10) The charge mentioned in Part 5 of Schedule 2 is payable by the applicant:
- (a) in the case of a charge mentioned in subitem 5.1(a) — when the application is lodged; and
 - (b) in the case of an hourly rate of charge — on the issue to the applicant of an invoice for the charge.

- (11) A charge mentioned in section 15 or 16, or in Part 6 of Schedule 2, is payable:
- (a) by the person to whom the licence mentioned in column 2 of the relevant item is, or would have been, issued; and
 - (b) when:
 - (i) the licence is issued; or
 - (ii) the application for the issue of the licence is refused, or taken to have been refused; or
 - (iii) the application for the issue of the licence is withdrawn after consideration of the application by the ACMA has begun;as the case requires.

Note A charge mentioned in Part 6 of Schedule 2 is payable only if the licence is issued or renewed or the ACMA considers the issue or renewal of the licence without proceeding to issue or renew it.

- (12) In spite of subsection (11), if a fee is payable under item 6.34 of Schedule 2 for the issue of a licence, no fee is payable under any other item of Part 6 of Schedule 2 in respect of the issue, or consideration of the issue, of the licence.
- (13) A charge mentioned in section 18 or 19, or in Part 7 of Schedule 2, is payable:
- (a) by the applicant for the issue or renewal of the licence mentioned in column 2 of the relevant item; and
 - (b) when:
 - (i) the licence is issued or renewed; or
 - (ii) the application for the issue or renewal of the licence is refused, or taken to have been refused; or
 - (iii) the application for the issue or renewal of the licence is withdrawn after consideration of the application by the ACMA has begun;as the case requires.

Note A charge mentioned in Part 7 of Schedule 2 is payable only if the licence is issued or renewed or the ACMA considers the issue or renewal of the licence without proceeding to issue or renew it.

- (14) The charge mentioned in Part 8 of Schedule 2 is payable:
- (a) by the applicant for renewal of the licence; and
 - (b) when the application is lodged.
- (15) A charge mentioned in Part 9 of Schedule 2 is payable:
- (a) by the applicant for advice; and
 - (b) on the issue to the applicant of an invoice for the charge.
- (16) A charge mentioned in Part 10 of Schedule 2 is payable:
- (a) by the person for whom the service or matter is provided; and
 - (b) on the issue to the person of an invoice for the charge.
- (17) A charge mentioned in Part 11 of Schedule 2 is payable:
- (a) by the person for whom the service or matter is provided; and

- (b) on the issue to the person of an invoice for the charge.
- (18) A charge mentioned in Part 12 of Schedule 2 is payable:
- (a) by the person for whom the service or matter is provided; and
 - (b) when:
 - (i) the licence is issued or renewed; or
 - (ii) the application for the issue or renewal of the licence is refused, or taken to have been refused; or
 - (iii) the application for the issue or renewal of the licence is withdrawn after consideration of the application by the ACMA has begun;
 as the case requires.

Note A charge mentioned in Part 12 of Schedule 2 is payable only if the licence is issued or renewed or the ACMA considers the issue or renewal of the licence without proceeding to issue or renew it.

- (19) The charge mentioned in Part 13 of Schedule 2 is payable:
- (a) by the person for whom the service or matter is provided; and
 - (b) before the service or matter is provided.

12 Which charge is payable if more than 1 standard is involved?

- (1) If a device is tested for compliance with 2 or more standards, licence conditions determinations or class licences, the total charge that is payable for the tests is the sum of:
 - (a) the amount payable under section 9 for the most expensive test conducted; and
 - (b) half of the aggregate amount that, but for this section, would be payable for each of the other tests conducted.
- (2) If a device is tested by using more than one test described in column 2 of Part 1 of Schedule 2, the total charge that is payable for the tests is the sum of:
 - (a) the amount payable under section 9 for the most expensive test conducted; and
 - (b) half of the aggregate amount that, but for this section, would be payable for each of the other tests conducted.
- (3) Use table 1 to work out the amount under paragraph (1) (b) or (2) (b).

Table 1

| | |
|---------------|--|
| Step 1 | Work out the aggregate amount that would be payable for the tests referred to in paragraph (1) (b) or (2) (b), as the case requires. |
| Step 2 | Divide the amount worked out under step 1 by 2. |
| Step 3 | Round the amount worked out under step 2 to the nearest dollar in accordance with section 22. |

13 Charges for varying a licence condition (recoordination charges)

Use table 2 to work out the charge for consideration by the ACMA of an application by a licensee for a notice under section 111 of the Radiocommunications Act to vary a condition of a licence.

Table 2

| Item | Licence type | Charge |
|------|--|---|
| 1 | If: <ul style="list-style-type: none"> (a) a type of assigned licence or a type of non assigned licence; and (b) the licence is mentioned in an item in Part 6 or Part 7 of Schedule 2 and is not of a type mentioned in item 3; and (c) technical coordination is not required | \$49.00 |
| 2 | If: <ul style="list-style-type: none"> (a) a type of assigned licence; and (b) the licence is mentioned in an item in Part 6 of Schedule 2; and (c) the application for the variation notice is not associated with either a paper or electronic frequency assignment certificate lodged by an accredited person; and (d) the ACMA has performed technical coordination | The applicable charge for issuing the licence as specified in Part 6 of Schedule 2 |
| 3 | Licence is an amateur licence for the operation of an amateur beacon or amateur repeater station | \$28.00 for each licence to which the notice relates |
| 3A | Licence is for the operation of a low power open narrowcasting service | \$99.00 |
| 4 | If: <ul style="list-style-type: none"> (a) item 1, 2 or 3 does not apply to the application for the variation notice; and (b) the application for the variation notice is associated with a paper-based frequency assignment certificate lodged by an accredited person; and (c) in considering the application, the ACMA does not perform coordination procedures to minimise interference | \$148.00 for each frequency assignment or paired frequency assignment to which the notice relates |

| Item | Licence type | Charge |

| 5 | <p>If:</p> <p>(a) item 1, 2 or 3 does not apply to the application for the variation notice; and</p> <p>(b) the application for the variation notice is associated with a frequency assignment certificate lodged by an accredited person using the ACMA's Accredited Person Online Submission System; and</p> <p>(c) in considering the application, the ACMA does not perform coordination procedures to minimise interference</p> <p><i>Note for item 5</i></p> <p>Information about the ACMA's Accredited Person Online Submission System may be found on the ACMA's website: www.acma.gov.au.</p> | \$99.00 for each frequency assignment or paired frequency assignment to which the notice relates |

14 General service charge

- (1) If the ACMA provides a service or matter for which:
 - (a) a charge may be fixed under section 60 of the ACMA Act; and
 - (b) no charge is determined:
 - (i) in any other section of this Determination; or
 - (ii) in any other determination made under the ACMA Act;
 the charge payable for the service is the hourly rate.
- (2) If:
 - (a) the ACMA incurs expenses under the Radiocommunications Act, the ACMA Act or under an instrument made under either Act; and
 - (b) no charge in relation to the matter is determined:
 - (i) in any other section of this Determination; or
 - (ii) in any other determination made under section 60 of the ACMA Act;
 the charge payable for the matter is the cost incurred plus GST (if applicable).
- (3) This section does not apply in relation to a service or matter provided by the ACMA on a commercial basis as part of the ACMA's additional functions under section 11 of the ACMA Act.

15 Part 6 of Schedule 2 — application associated with a paper-based frequency assignment certificate

- (1) This section applies if:
- (a) an application is made under section 99 of the Radiocommunications Act for the issue, under section 100 of the Radiocommunications Act, of a licence mentioned in an item in Part 6 of Schedule 2; and
 - (b) the application is associated with a paper-based frequency assignment certificate mentioned in subsection 100 (4A) of the Radiocommunications Act.
- (2) Use table 3 to work out the charge for:
- (a) issuing the licence; or
 - (b) considering the issue of the licence without proceeding to issue it.

Table 3

| Item | Licence type | Charge |
|------|---|-------------------------------------|
| 1 | If: <ol style="list-style-type: none"> (a) a type of assigned licence; and (b) the licence is not of a type mentioned in item 2 or 3; and (c) in considering the issue of the licence, the ACMA does not perform coordination procedures to minimise interference; and (d) for each chargeable spectrum access to which the frequency assignment certificate relates | \$148.00 |
| | <i>Note for item 1</i> All transmit spectrum accesses are chargeable spectrum accesses. Receive spectrum accesses are only chargeable if there are no transmit spectrum accesses on the same licence. | |
| 2 | Licence is an amateur licence for the operation of an amateur repeater station or an amateur beacon station | \$28.00 |
| 3 | If: <ol style="list-style-type: none"> (a) the licence application is one of a group of 2 or more applications all of which relate to: <ol style="list-style-type: none"> (i) an event that happens for a period of not more than 2 weeks; or (ii) military or other defence manoeuvres, involving simulated wartime operations carried out to train and evaluate personnel, that happen for a period of not more than 3 months; and (b) all applications in the group are made at the same time; and (c) in considering the issue of the licences, the ACMA does not perform coordination procedures to minimise interference; and | \$197.00 for each application group |

| Item | Licence type | Charge |
|------|--|--------|
| | (d) associated licences (if applicable) are to be issued on the basis that the use of the licences: <ul style="list-style-type: none"> (i) is not to cause interference; and (ii) will not be afforded protection from interference caused by other services | |

16 Part 6 of Schedule 2 — application associated with a frequency assignment certificate lodged over the Internet

- (1) This section applies if:
- (a) an application is made under section 99 of the Radiocommunications Act for the issue, under section 100 of the Radiocommunications Act, of a licence mentioned in an item in Part 6 of Schedule 2; and
 - (b) a frequency assignment certificate mentioned in subsection 100 (4A) of the Radiocommunications Act that relates to the application is lodged by an accredited person using the ACMA's Accredited Person Online Submission System.

Note Information about the ACMA's Accredited Person Online Submission System may be found on the ACMA's website: www.acma.gov.au.

- (2) Use table 4 to work out the charge for:
- (a) issuing the licence; or
 - (b) considering the issue of the licence without proceeding to issue it.

Table 4

| Item | Licence type | Charge |
|--|---|---------|
| 1 | If: <ul style="list-style-type: none"> (a) a type of assigned licence; and (b) the licence is not of a type mentioned in item 2; and (c) in considering the issue of the licence, the ACMA does not perform coordination procedures to minimise interference; and (d) for each chargeable spectrum access to which the frequency assignment certificate relates | \$99.00 |
| <i>Note for item 1</i> | | |
| All transmit spectrum accesses are chargeable spectrum accesses. Receive spectrum accesses are only chargeable if there are no transmit spectrum accesses on the same licence. | | |
| 2 | Licence is an amateur licence for the operation of an amateur repeater station or an amateur beacon station | \$28.00 |

17 Parts 6 and 8 of Schedule 2 — administrative charges for instalment payments

- (1) This section applies if:
- (a) a person applies for:
 - (i) the issue of a licence mentioned in column 2 of an item in Part 6 of Schedule 2; or

- (ii) the renewal of a licence mentioned in column 2 of an item in Part 8 of Schedule 2; and
 - (b) the person elected, in the application for the issue or renewal of the licence, that subsection 6 (3) of a Tax Act was to apply to the licence.
- (2) The charge for processing the payment of an instalment of tax in accordance with the election is:
- (a) for a fixed licence for the operation of a pair of point to point (self-coordinated) stations — \$4.00; and
 - (b) for a fixed licence for the operation of a pair of point to point stations within the frequency range greater than 5.725 GHz and less than or equal to 5.825 GHz — \$4.00; and
 - (c) for any other licence — \$4.00 for each frequency assigned.

20 Part 7 of Schedule 2 — administrative charges for instalment payments

- (1) This section applies if:
- (a) a person applies for the issue or renewal of a licence mentioned in column 2 of an item in Part 7 of Schedule 2 (the *reference item*); and
 - (b) the person elected, in the application for the issue or renewal of the licence, that subsection 6 (3) of a Tax Act was to apply to the licence.

Election under subsection 6 (4) of a Tax Act for payment by instalments — general

- (2) Subject to subsections (3), (4) and (5), the charge for processing the payment of an instalment of tax in accordance with the election is an amount equal to the charge set out in column 3 of the reference item.

Election under subsection 6 (4) of a Tax Act for payment by instalments — short period

- (3) For subsection (2), if the period between the last anniversary of effect of the licence occurring during the period when the licence is in force and the end of the day on which the licence ceases to be in force is less than 12 months, the charge for processing the payment of the instalment is the greater of:
- (a) the minimum charge; and
 - (b) an amount worked out using Table 7.

Table 7

| | |
|---------------|--|
| Step 1 | Work out an amount using the formula: $\frac{AC \times D}{365}$ where: AC is the amount set out in column 3 of the reference item. D is the number of days in the period starting on the anniversary of effect of the licence and ending at the end of the day when the licence expires. |
| Step 2 | Round the amount to the nearest dollar in accordance with section 22. |

Election under subsection 6 (5) of a Tax Act for payout of remaining instalments

- (4) If the person notifies the ACMA as set out in subsection 6 (5) of a Tax Act:
- (a) subsection (2) ceases to apply on the day on which the person notifies the ACMA; and
 - (b) the charge for processing the payment of tax in accordance with the notification is:
 - (i) for the first year of the licence after the anniversary of effect of the licence mentioned in the subsection — the amount set out in column 3 of the reference item; and
 - (ii) for each complete year of the licence (if any) after the year mentioned in subparagraph (i) — the amount set out in column 3 of the reference item, reduced by the minimum charge; and
 - (iii) for any part of a year of the licence (if any) after the year mentioned in subparagraph (i) — an amount worked out using Table 8.

Table 8

| | |
|---------------|---|
| Step 1 | Work out an amount using the formula: $\frac{(AC - \text{minimum charge}) \times D}{365}$ where: AC is the amount set out in column 3 of the reference item. D is the number of days in the part of the year. |
| Step 2 | Round the amount to the nearest dollar in accordance with section 22. |

Application of subsection 6 (6) of a Tax Act — payment of all instalments after overdue instalment

- (5) If subsection 6 (6) of a Tax Act applies:
- (a) subsection (2) ceases to apply on the first day that subsection 6 (6) applies; and
 - (b) the charge for processing the payment of tax in accordance with the subsection is:
 - (i) for the first year of the licence after the anniversary of effect of the licence mentioned in the subsection — the amount set out in column 3 of the reference item; and
 - (ii) for each complete year of the licence (if any) after the year mentioned in subparagraph (i) — the amount set out in column 3 of the reference item, reduced by the minimum charge; and
 - (iii) for any part of a year of the licence (if any) after the year mentioned in subparagraph (i) — an amount worked out using Table 9.

Table 9

| | |
|---------------|---|
| Step 1 | <p>Work out an amount using the formula:</p> $\frac{(AC - \text{minimum charge}) \times D}{365}$ <p>where:</p> <p>AC is the amount set out in column 3 of the reference item.</p> <p>D is the number of days in the part of the year.</p> |
| Step 2 | <p>Round the amount to the nearest dollar in accordance with section 22.</p> |

21 Part 12 of Schedule 2 — administrative charges for instalment payments

- (1) This section applies if:
 - (a) a person applies for the issue or renewal of a licence mentioned in column 2 of an item in Part 12 of Schedule 2; and
 - (b) the person elected, in the application for the issue or renewal of the licence, that subsection 6 (3) of a Tax Act was to apply to the licence.
- (2) Subject to subsections (3) and (4), the charge for processing the payment of an instalment of tax in accordance with the election is the hourly rate.
- (3) If the person notifies the ACMA as set out in subsection 6 (5) of a Tax Act:
 - (a) subsection (2) ceases to apply when the person notifies the ACMA; and
 - (b) the charge for processing the payment of tax in accordance with the notification is the hourly rate.

-
- (4) If subsection 6 (6) of a Tax Act applies:
- (a) subsection (2) ceases to apply on the first day that subsection 6 (6) applies; and
 - (b) the charge for processing the payment of tax in accordance with the subsection is the hourly rate.

22 Rounding of amounts

If, under a provision of this Determination, an amount is required to be rounded in accordance with this section, the amount is to be rounded as follows:

- (a) if, apart from the application of this section, the amount would include a part of a dollar and the part of the dollar is less than 50 cents — the amount is to be reduced to the nearest whole dollar; and
- (b) if, apart from the application of this section, the amount would include a part of a dollar and the part of the dollar is 50 cents or more — the amount is to be increased to the nearest whole dollar.

Note Rounding of amounts in accordance with this section is required under the following provisions:

- (a) step 3 of Table 1 in subsection 12 (3);
- (b) step 2 of Table 5 in section 18;
- (c) step 2 of Table 6 in section 19;
- (d) step 2 of Table 7 in subsection 20 (3);
- (e) step 2 of Table 8 in subsection 20 (4);
- (f) step 2 of Table 9 in subsection 20 (5);
- (g) Schedule 1, item 1, column 3, subparagraph (a) (ii) and paragraph (c);
- (h) Schedule 1, item 2, column 3, subparagraph (a) (ii) and paragraph (c);
- (i) Schedule 1, item 3, column 3, subparagraph (a) (ii) and paragraph (c).

Schedule 1 Hourly rates and minimum charge

(section 7)

| Column 1 Item | Column 2 Name of charge | Column 3 Charge |
|------------------|----------------------------|--|
| 1 | Hourly rate | <p>For each person providing a service or matter to which the rate applies:</p> <ul style="list-style-type: none"> (a) for a total period less than 1 hour — the greater of: <ul style="list-style-type: none"> (i) \$99.00; and (ii) the proportion of \$197.00 equal to the proportion of an hour for which charge is to be made, rounded in accordance with section 22; and (b) for each completed hour — \$197; and (c) for a part of an hour after a completed hour — the proportion of \$197.00 equal to the proportion of an hour for which charge is to be made, rounded in accordance with section 22 |
| 2 | Special hourly rate A | <p>For each person providing a service or matter to which the rate applies:</p> <ul style="list-style-type: none"> (a) for a total period less than 1 hour — the greater of: <ul style="list-style-type: none"> (i) \$145.00; and (ii) the proportion of \$289.00 equal to the proportion of an hour for which charge is to be made, rounded in accordance with section 22; and (b) for each completed hour — \$289.00; and (c) for a part of an hour after a completed hour — the proportion of \$289.00 equal to the proportion of an hour for which charge is to be made, rounded in accordance with section 22 |
| 3 | Special hourly rate B | <p>For each person providing a service or matter to which the rate applies:</p> <ul style="list-style-type: none"> (a) for a total period less than 1 hour — the greater of: <ul style="list-style-type: none"> (i) \$135.00; and (ii) the proportion of \$270.00 equal to the proportion of an hour for which charge is to be made, rounded in accordance with section 22; and (b) for each completed hour — \$270.00; and (c) for a part of an hour after a completed hour — the proportion of \$270.00 equal to the proportion of an hour for which charge is to be made, rounded in accordance with section 22 |

| 1.15.2 | Test or retest test of a transmitter only for compliance with AS/NZS 4770 | \$6 069.00 |
| 1.15.3 | Test or retest of a receiver only for compliance with AS/NZS 4770 | \$5 404.00 |
| 1.15.4 | Test or retest of 1 aspect only of a transmitter for compliance with AS/NZS 4770 | \$838.00 |
| 1.16 | Issuing a certificate where testing not conducted | |
| 1.16.1 | Issuing a compliance certificate, or considering the issue of the certificate without proceeding to issue it, if the ACMA has not conducted testing of a sample of the devices included in the class of devices to which the certificate applies | \$145.00 |
| 1.17 | Test for compliance with a standard or other technical specification | |
| 1.17.1 | Test for compliance with a standard or other technical specification not mentioned in items 1.1 to 1.16 | Special hourly rate A |

Part 2 Assessment and advice on compliance with standards and other technical specifications

| Column 1 Item | Column 2 Service | Column 3 Charge |
|------------------|--|-----------------------|
| 2.1 | If the ACMA has not conducted testing of a device: (a) advising on compliance of the device with a standard or other technical specification for devices; or (b) the assessment of an application for a compliance certificate | Special hourly rate B |

Part 3 Documents

| Column 1 Item | Column 2 Service | Column 3 Charge |
|------------------|---|-------------------------|
| 3.1 | Issuing a duplicate instrument of any kind or, where such duplicate instrument cannot be issued, a letter of confirmation | \$53.90 (including GST) |
| 3.2 | Issuing a copy of a licence that includes changes to particulars of the licensee | \$53.90 (including GST) |
| 3.3 | Issuing a permit for a non-standard transmitter under section 167 of the Radiocommunications Act (unless the permit is issued as part of a compliance testing failure), or considering the issue of the permit without proceeding to issue it | \$217.00 |
| 3.4 | Issuing a written permission to a person under section 174 of the Radiocommunications Act to supply non-standard devices, or considering the issue of the permission without proceeding to issue it' | \$217.00 |

Part 4 Examinations

| Column 1 Item | Column 2 Examination | Column 3 Charge |
|------------------|---|--------------------|
| 4.1 | Examination, or reassessing a result in an examination, for the Amateur Operator's Certificate of Proficiency (Advanced) | \$345.00 |
| 4.2 | Examination, or reassessing a result in an examination, for the Amateur Operator's Certificate of Proficiency (Standard) | \$345.00 |
| 4.3 | Examination, or reassessing a result in an examination, for the Amateur Operator's Certificate of Proficiency (Foundation) | \$230.00 |
| 4.4 | Examination conducted by the ACMA or, reassessing a result of an examination, for a Marine Radio Operator's Certificate of Proficiency | \$296.00 |
| 4.5 | Examination conducted by the ACMA or, reassessing a result of an examination, for a as a Marine Radio Operator's VHF Certificate of Proficiency | \$197.00 |
| 4.6 | Examination conducted by a person other than the ACMA for a Marine Satellite Communications Certificate of Endorsement | \$197.00 |
| 4.7 | Part only of an examination, or reassessing the results of part only of an examination, for the Amateur Operator's Certificate of Proficiency (Advanced): | |

| Column 1 Item | Column 2 Examination | Column 3 Charge |
|------------------|---|--------------------|
| | (a) regulations | \$115.00 |
| | (b) theory | \$115.00 |
| | (c) practical | \$115.00 |
| 4.8 | Part only of an examination, or reassessing the results of part only of an examination, for the Amateur Operator's Certificate of Proficiency (Standard): | |
| | (a) regulations | \$115.00 |
| | (b) theory | \$115.00 |
| | (c) practical | \$115.00 |
| 4.9 | Part only of an examination, or reassessing the results of part only of an examination, for the Amateur Operator's Certificate of Proficiency (Foundation): | |
| | (a) theory / regulations | \$115.00 |
| | (b) practical | \$115.00 |

Part 5 Satellite filing, coordination and notification

| Column 1 Item | Column 2 Service | Column 3 Charge |
|------------------|--|--------------------|
| 5.1 | Assessing an application to the ACMA to file a satellite system with the International Telecommunication Union (ITU), consisting of work done during the period commencing upon receipt by the ACMA of an application to file a satellite system with the ITU and ending when the ACMA or a relevant officer of the ACMA makes a decision on whether or not to accept the application: | |
| | (a) application – Australia has not previously filed a satellite system with the ITU for the applicant; | \$35 070.00 |
| | (b) application – Australia has previously filed a satellite system with the ITU for the applicant | Hourly rate |
| 5.2 | Support work in relation to a proposed or existing Australian satellite system (excluding any work done in relation to item 5.1) | Hourly rate |

Part 6 Administrative charge for first issue of assigned licence

| Column 1 Item | Column 2 Service | Column 3 Charge |
|------------------|---|--------------------|
| 6.1 | Issuing an aeronautical licence for the operation of an aeronautical assigned system station, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment for the purpose of transmission | \$345.00 |
| 6.2 | Considering the issue of an aircraft licence for the operation of an aircraft assigned station, and issuing it (if applicable) | \$148.00 |

| Column 1 Item | Column 2 Service | Column 3 Charge |
|------------------|--|----------------------|
| 6.3 | Issuing a broadcasting licence for the operation of a narrowband area service transmitter, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission: (a) if the frequency operates in the band 70–960 MHz (b) if the frequency operates outside the band 70-960 MHz | \$591.00 \$394.00 |
| 6.4 | Issuing an earth licence for the operation of a mobile earth station, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission | \$99.00 |
| 6.5 | Issuing an earth licence for the operation of a fixed earth station, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission | \$197.00 |
| 6.6 | Issuing a fixed licence for the operation of a point to multipoint station, or considering the issue of the licence without proceeding to issue it, other than a fixed licence mentioned in item 6.7 or 6.8 — for each frequency assigned, or requested for assignment, for the purpose of transmission | \$591.00 |
| 6.7 | Issuing a fixed licence for the operation of a point to multipoint station for a wireless access service, or considering the issue of the licence without proceeding to issue it, other than: (a) a fixed licence mentioned in item 6.6 or 6.8; or (b) a licence allocated by a price-based allocation process, in accordance with the <i>Radiocommunications (Transmitter Licences — Auction) Determination 2006</i> ; — for each frequency assigned, or requested for assignment, for the purpose of transmission | \$394.00 |
| 6.8 | Issuing a fixed licence for the operation of an unlimited number of point to multipoint stations, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission by a point to multipoint station | \$591.00 |
| 6.9 | Issuing a fixed licence for the operation of a point to point station, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission | \$493.00 |
| 6.10 | Issuing a fixed licence for the operation of a 900 MHz studio to transmitter link station, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission | \$493.00 |

| Column 1 Item | Column 2 Service | Column 3 Charge |
|------------------|--|--------------------|
| 6.11 | Considering the issue of a fixed licence for the operation of a pair of point to point (self-coordinated) stations, and issuing it (if applicable) | \$148.00 |
| 6.12 | Considering the issue of a fixed licence for the operation of a pair of point to point stations within the frequency range greater than 5.725 GHz and less than or equal to 5.825 GHz, and issuing it (if applicable) | \$148.00 |
| 6.13 | Considering the issue of a fixed licence for the operation of a television outside broadcast system—for each frequency assigned, or requested for assignment, and issuing it (if applicable) | \$296.00 |
| 6.14 | Considering the issue of a fixed licence for the operation of a television outside broadcast system, and issuing it (if applicable) | \$296.00 |
| 6.15 | Issuing a land mobile licence for the operation of a land mobile system service, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission: | |
| | (a) if the frequency is no more than 30 MHz; or | \$591.00 |
| | (b) if the frequency is more than 30 MHz | \$591.00 |
| 6.16 | Issuing a land mobile licence for the operation of a repeater station, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of the automatic retransmission of radio signals from a CB station | \$345.00 |
| 6.17 | Issuing a land mobile licence for the operation of an ambulatory station or an ambulatory system, or considering the issue of the licence without proceeding to issue it — for each frequency assigned, or requested for assignment, for the purpose of transmission: | |
| | (a) if: | \$148.00 |
| | (i) the licence is for the operation of an ambulatory station; and | |
| | (ii) in considering the issue of the licence, the ACMA does not perform coordination procedures to minimise interference | |
| | (b) in any other case | \$493.00 |
