Jack Hantongkom HS1FVL  
President RAST

Dear Jack,

The Wireless Institute of Australia (WIA), on behalf of the Board of Directors and members, extends sincere condolence on the passing of your beloved King Bhumibhol Adulyadej.

The Royal Amateur Society of Thailand (RAST) is in our thoughts and prayers. The support given by HS1A to Amateur Radio was well known, including patronage for your organisation.

Thailand has been a major tourist destination for Australians. Interest in the sad news has been reflected on television news programs seen in Australia.

Please accept this message of deep regret and hope you make it known to RAST members and the broader community.

Regards

Phil Wait VK2ASD  
WIA President
