

Remembrance Day Contest 2023

Congratulations go to VK7 for winning this year's Remembrance Day contest. 44 percent of VK7 participants submitted a log followed by VK6 with 43 percent. Excellent support by the state's operators. Log submission overall was 23.6 percent. Approximately 1005 participated with 237 logs submitted, including two paper logs. A total of 30,437 QSO's filled the logs submitted.

In the spirit of the Remembrance Day activities, an increase in the use of WW2 equipment jumped to five for 2023. Bob VK2YQ used a Clansman 320, 10 watts into an end fed ½ wave dipole. Doc, VK5BUG used an STC A-679H on RX, and a Marconi 5G on TX. Kelvin ZL3KB used ER&PC Wireless set Nr48 with .2w into a 10-foot rod antenna. Bryan ZL3BHS used a WS48 set and WS21 set, 5w into original WW2 issue antenna. Desmond ZL3AK used a ZC1 MK2 1.5w into an inverted V. A very special mention must go to David Scott, VK3DY who has submitted his 70th consecutive log this year and submitted his very first digital log via the website. Congratulations David.

Ten logs were submitted with errors resulting in the logs losing many, if not all points, and other stations who contacted them also suffered points reduction. Common logging errors were miss-logging calls and exchanges, not entering the contact in the log, incorrect times logged, wrong bands logged, and using zeros for O's. The biggest problem is miss-copying callsigns due to phonetics not being used.

For an expanded report please download the results PDF from the WIA contest page. This report contains statistics, soapbox comments and logging errors to see where improvement can be made. PDF certificates are available for download.

By visiting Vklogchecker.com and clicking on the Remembrance Day logo, statistics and graphs showing run rates against other ops may be of interest.

Best 73.

Alan Shannon VK4SN.

SOAPBOX COMMENTS

Callsign	Category Mode	Soapbox
VJ3W	SINGLE-OP CW HIGH	Good participation. Not many used higher HF bands for contacts. I participated in remembrance of my father, Les Young, CPO Leading Telegraphist, DSM (SK), ex ZL2KK, VK3BLY.
VK1AAF	SINGLE-OP MIXED QRP	had a great time - my first contest and it really gave me a taste for it. was good to hear a few 001 and 002 (like me)OPs.
VK1CHW	SINGLE-OP SSB QRP	Great to see the bands so busy!
VK1PE	SINGLE-OP SSB HIGH	Antenna issues, and family commitments, limited my ability to work the Contest. (But, I did produce the RD Opening Speech, again.)
VK2AWX	MULTI-OP MIXED LOW	All testers did great and we cant wait for the next one
VK2BSE	SINGLE-OP SSB QRP	Thanks everyone for your patience with QRP operations!
VK2EMU	SINGLE-OP SSB HIGH	THERE WERE SOME STATIONS IN THE CONTEST WHO WERE USING CALLSIGNS NOT IN THE ACMA DATABASE. SOME OF THE OPERATORS GOT UNHAPPY WHEN I REFUSED TO WORK THEM.
VK2EZF	SINGLE-OP MIXED LOW	A massive thank you to everyone involved in organising this RD. And of course to all participants also. This was my first RD and it was a real joy to make contacts in this contest. I just worked HF with a TS830S running about 80 watts out to a doublet at 8m agl and a rigged up inverted L on 160m. The highlight was making that first CW qso on 160 after 1am for 12 points. The lowlight was my TS830 finals blowing up with just 45 minutes to go. Already planning for next year - see you all then.
VK2FO	SINGLE-OP SSB LOW	Great to see so many new amateurs participating in the contest and amazed at the number with 50 plus years on the board. well done everyone.
VK2GPU	SINGLE-OP SSB HIGH	Just jumped in to give out a few numbers this time.
VK2GR	SINGLE-OP CW HIGH	Limited operating tim available this year.
VK2KJ	SINGLE-OP CW HIGH	only worked in night time -
VK2KQB	SINGLE-OP SSB HIGH	Great Contest
VK2MT/VK8	SINGLE-OP SSB HIGH	Operated portable while camped in the bush near Humpty Doo in the NT. Couldn't commit to the full 24 hours due to tourist commitments but had a lot of fun when on the air. The RF propagation from here is so different when compared to SE VK & combined with the different time zone, huge sigs from the north & late sunsets (7pm) makes for a totally different contest experience. Still good to catch-up with everyone.
VK2NA	SINGLE-OP MIXED HIGH	TS-590SG 100w

VK2WW	SINGLE-OP SSB HIGH	I was un assisted in the contest, single OP
VK2YI	SINGLE-OP SSB HIGH	How about category separation HF only vs VHF/UHF and other bands?
VK2YW	SINGLE-OP MIXED QRP	Again, a lot of fun using QRP.
VK3AUQ	SINGLE-OP CW HIGH	Only VHF contact was on 6 Mtr. Using 3 el yagi HF on 20 & 15 no go as EU contest taking up the bands. Running 100W to an 80 Mtr invertet vee with a tuner to enable all HF bands. Keying with an old home brew iambic keyer I built somewhere in early 1980's It was good to catch up with the usual suspects again.
VK3CWS	SINGLE-OP SSB HIGH	Operated via Remote Station VK3CNE located at QF22NH.
VK3DL	SINGLE-OP MIXED LOW	Thanks very much to organisers and participants.
VK3DY	SINGLE-OP SSB HIGH	This was my 70th consecutive RD contest
VK3HAG	SINGLE-OP SSB HIGH	Home Station/Single Op.
VK3LDR	SINGLE-OP SSB HIGH	Just popped in a few times along the way to answer calls and hand out points on Saturday arvo, evening and Sunday morning. Haven't been on this contest since 2015 I think.
VK3MCA	SINGLE-OP SSB LOW	enjoyed the contest
VK3QB	SINGLE-OP CW QRP	Good fun but very quiet between 1-6am. A shame really. Numbers down on last year.
VK3SAT	MULTI-OP SSB QRP	1st Sandringham Cubs and Scouts running the station (with minimal need for support)
VK4DRK	SINGLE-OP MIXED LOW	First time RD contest
VK4M	SINGLE-OP MIXED HIGH	Great band conditions all round. Very friendly participation. Participation seemed lower this year, but other contests this year have seen this also. Good run on triple points in the 1st one and a half hours in. Thanks to all.
VK4OTZ	SINGLE-OP SSB QRP	Super fun contest as always! I made by first ever 160m contact with VL4R (Thanks Bill! :D) My clock went out of sync around 1515 UTC by ~15mins. Two contacts were logged before I corrected this (VK4T and VK5CB). I've updated their respective times to be as accurate as possible. Big thanks to everyone operating and especially the contest organisers. See you all next year!
VK4PDG	SINGLE-OP SSB QRP	Thank you everyone. Most enjoyable.
VK4SU	SINGLE-OP SSB HIGH	Another great RD contest. I done my best as it's not easy contesting being almost stone deaf. For future contests I do recommend that everyone please use the International Phonetic Alphabet when calling as it make life a lot easier for people like me who are hard of hearing and would like to enjoy contesting without having to have call signs repeated due to not being understood.

VK4T	MULTI-OP MIXED HIGH	Another RD Contest to enjoy, the friendly contest, love the exchange of names, totally different feel to all other contests. An honour to operate in the contest to commemorate the end of hostilities in the Pacific. Thanks to all who answered our calls and to the organisers who have done an awesome job.
VK4XQM	SINGLE-OP SSB HIGH	CONDITIONS WERE VERY STRANGE WITH INCOSISTANT SHORT TIME OPENINGS ON VARIOUS BANDS. THOSE OPERATING IN VK2 VK3, VK5 AND VK7 WOULD HAVE HAD GOOD ADVANTAGE WITH PROXIMITY TO EACH OTHER FOR THE SHORT SKIP CONTACTS THAT WERE EXPERIENCED. THOSE OPERATORS IN QUEENSLAND, WEST AUSTRALIA AND NORTHERN TERRITORY WERE AT A DISTINCT DISADVANTAGE IN MY OPINION TO MAKE CONTACTS UNDER THESE CONDITION, SUCH IS THE NATURE OF RADIO AND THE IONOSPHERE.
VK4YD	SINGLE-OP CW LOW	FIRST TIME BACK IN THE RD CONTEST FOR MANY YEARS
VK5BUG	SINGLE-OP CW LOW	I OPERATED WW2 EQUIPMENT IN THE FORM OF STC A679H RX AND A MARCONI 5G TRANSMITTER WITH A SINGLE 807 TUBE IN THE FINALS FOR AN OUTPUT POWER OF JUST 23 WATTS WHICH WAS CRYSTAL BOUND ON 7.026MHZ
VK5CB	SINGLE-OP SSB HIGH	VHF too quiet 160 low activity and noisy 15m quiet Best band 20 40 80 some good activity on 10m this year
VK5D	SINGLE-OP SSB HIGH	Was fun early on but later noise came up and barely heard anything.
VK5DJ	SINGLE-OP SSB HIGH	Friendly contest as always
VK5WOW	MULTI-OP MIXED HIGH	We activated a WWII communications centre air-raid shelter operating about 3 metres underground in a concrete bunker. Whilst our QSOs were down, it was a privilege and honour to work from such a unique and historic location in suburban Adelaide for such an important event. Our thanks for managing another enjoyable contest.
VK6AAK	SINGLE-OP CW HIGH	Very lonely contest, stuck on 20m cw.
VK6AKR	SINGLE-OP MIXED HIGH	Very satisfying. Did some RTTY this time too.
VK6CSW	SINGLE-OP SSB HIGH	Thanks for yet another good contest. Always lots of fun!
VK6DDX	SINGLE-OP SSB HIGH	Better HF propagation this year but seemed to be not as many locals on VHF. Thank you to the organisers for the RD Contest and great to catch up with some familiar calls.
VK6DEV	SINGLE-OP SSB HIGH	First RD Contest
VK6HDY	SINGLE-OP SSB HIGH	my qth for the competition was Mareeba Qld.
VK6KQ	SINGLE-OP SSB HIGH	In memory of Telegraphist Adolf Heinrich Gerhard Rippen, VK6GR, one of the 645 crew of HMAS Sydney II lost on 19 Nov 1941. Thanks for the contest; I enjoyed it; I'll have HF up next year! Rig: Yaesu FT-8900R Ant: Quad band whip

VK6MIL	SINGLE-OP SSB HIGH	Great weekend of many contacts for RD.
VK6MJC	SINGLE-OP SSB HIGH	HF conditions not good, again. Thanks for organising de Mike
VK6MK	SINGLE-OP MIXED HIGH	Great contest. Consideration for future RD comps would be some acknowledgment of participating defence veterans perhaps extra letter in RST eg ""V 59 044"" with one off extra point per contact with vet during contest would help acknowledge amateurs who have served and remind participants what day is about during the day. manual count up added to calibre perhaps
VK6MM	SINGLE-OP SSB HIGH	Operated from North Yunderup
VK6POP	SINGLE-OP SSB LOW	Seemed to be fewer people on air, especially on day two. Thanks to the organisers.
VK6WE	SINGLE-OP SSB LOW	I could only dip in and out of the contest occasionally but enjoyed the sessions I had. 20 metres was more productive.
VK7AG	SINGLE-OP SSB QRP	A fun weekend and good opportunity to dust off some radios. IC-705 + IC-910H for 23cm, QRP, both at 5W.
VK7ALH	CHECKLOG SSB HIGH	Changed to checklog - VK7ALH was not the call used.
VK7AN	SINGLE-OP SSB HIGH	Portable operation QE48DR.
VK7GN	SINGLE-OP MIXED HIGH	Great to contact old friends!
VK7GWM	SINGLE-OP FM HIGH	First competition, sorry if I've done things wrong Greg
VK7HH	SINGLE-OP SSB HIGH	Another great year, thanks to the Contest Manager. Great to hear lots of 001's and 002's. 40m was very good.
VK7HW	SINGLE-OP SSB HIGH	SSB & FM
VK7HXT	SINGLE-OP SSB HIGH	80m and 40m was on SSB on my Kenwood TS440S and 2m and 70cm was on FM on my TYT MD-9600.
VK7IF	SINGLE-OP SSB HIGH	As usual, a friendly and interesting contest. Good band conditions too.
VK7JGD	SINGLE-OP SSB HIGH	THANKS EVERYBODY ALL GOOD FUN GREAT TO SEE THE 001s.SEE YOU ALL NEXT YEAR. GARRY VK7JGD
VK7KC	SINGLE-OP SSB HIGH	Very enjoyable contest. I look forward to it each year.
VK7KPC	SINGLE-OP MIXED QRP	Good fun Thankyou
VK7KT	SINGLE-OP SSB LOW	Great contest with all operators very professional.. Looking forward to next year
VK7RD	SINGLE-OP CW HIGH	Another enjoyable contest. Good band conditions.
VK7TW	SINGLE-OP SSB HIGH	Fantastic to see all the 001s on the bands. Another great RD contest, thanks to all who are involved in managing it. 73, VK7TW
VK7WN	SINGLE-OP SSB HIGH	Another great RD Contest event. Always good fun. For next time must get my head-set and foot-switch set up and the comms between the PC and the radio. 73

VK7ZBX	SINGLE-OP SSB HIGH	Thanks to all the people that not only participate, but those that do all the unseen work. Great RD again although it did highlight some weakness in my station. Not as much time this year but next year look out :) 73 Richard
VK8AW	SINGLE-OP SSB HIGH	no mail service in rural, hence PO box.
VK8NH	SINGLE-OP SSB QRP	Woke up early and logged these CS
VL3I	SINGLE-OP CW QRP	Enjoyed every QSO - thanks for contest. Unfortunately worked harder and used more tech to have less QSOs. Virtually nil during the triple point time. Not sure how we encourage more stations to have a go down CW end, whether keyboard or key.. 73
VL5F	SINGLE-OP MIXED HIGH	2023 RD Contest
VL5L	SINGLE-OP MIXED HIGH	Great conditions on the low bands overnight! Also, good to see all the usual contestants, some ZL's and few new commers this year. The RD is by far my favourite competition. Always friendly, great comradery and a poignant meaning. Whist I did not stay up for 24 hours this year, I did blocks of the contest from my newly developed remote site situated to the east of Adelaide. It was really strange operating from a PC and a headset without a radio or antenna in sight! 73 Steve VL5L / VK5SFA
ZL3AK/P	SINGLE-OP SSB QRP	Weather quite cold wind but radio worked well Radio ZC1 MK2
ZL3BHS/P	SINGLE-OP SSB QRP	Enjoyable day operating three WW2 stations
ZL3KB/P	SINGLE-OP SSB QRP	Great weather, radio held up with no faults, couldn't be better ER & PC Wireless set nr 48
ZL3VZ	SINGLE-OP MIXED HIGH	Very much enjoyed this contest. Conditions seemed very good, especially on 40m. Many thanks.
ZL4RO	SINGLE-OP SSB HIGH	Band conditions not as good as last year. I had a good signal (100 watts into inverted V antenna) going to Australia, With the help of a few patient operators at your side, we exchanged numbers. Many thanks to the organiser (s) and log keeper(s). Back next year. Cheers John Graham ZL4RO.....K774258 "Least we forget" I had one contact, my log came up red, BUT his didnt any reason why??
