

2024 Remembrance Day Memorial Report

Remembrance Day Contest 2024

Congratulations to VK7 for winning this year's Remembrance Day contest. 42 percent of VK7 participants submitted a log followed by VK6 with 37 percent. Excellent support by the state's operators.

Only one record was broken by VK7TW in the SOMX category with 1298 points.

Other winners were VK7ZBX SOPH, VK2GR SOCW, VK3KK QRP PH, VK3ACU QRP CW, VK2R QRP MX, VK7CMS MS, and VL4R MM.

Best team result was from TOTWOO, VK7TO VK7TW and VK7OO with combined points equalling 2625.

Best rookie was Dan VK4DNO with 140 points for the SOPH category.

Log submission overall was 19 percent, down from 23 percent last year. Approximately 1033 participated with 195 logs submitted, including four paper logs. A total of 28,660 QSO's filled the logs submitted with an average score of 222. To summarise there were less logs, more log content and more total operators compared to last year. A total of 16 club stations submitted logs. Email responses to users submitting logs via vklogchecker has ceased due to costs involved. Submitters are notified on screen of successful submission or mistakes needing fixing during the process.

It was obvious that attention to detail was missing when submitting logs and a failure to read the rules for guidance in submitting a Cabrillo V3 log. Luckily our filters applied during submission stopped 19 logs from being submitted as mixed mode, when in fact they were phone logs. 179 submissions were rejected with the reason why and the fix displayed for the operator. Reasons for rejection ranged from incorrect header information and / or invalid QSO lines missing needed information. Of the total rejections, many retries by the same operator were attempted till the problems were fixed. Remember that ADIF text files ARE NOT Cabrillo. They are completely different formats. ADIF does not contain needed contest information therefor using ADIF to Cabrillo converters is also useless.

Please note: The OPERATOR: field in the Cabrillo header saw many rejections and asked for non-contest calls to be used in this field. For those who did not know what a non-contest callsign is, it's your normal everyday assigned call. Our Contest Champion points manager, Peter VK2PR, like any of us, can no longer look up callsigns to tie together a contest call, a normal call, and a name. The filtering of the operators field is now necessary to keep uniformity so that only one callsign is used in the Contest Champion table on the WIA website. Callsigns of individuals and multi-operator station operators in the operators field is used to calculate contest champion points.

2024 Remembrance Day Memorial Report

In the spirit of the Remembrance Day activities, Nic VK7WW made use of old equipment. An impressive score of 172 using CW was achieved. Thank you, Nic.,

2024 Remembrance Day Memorial Report

CONTEST	WIA-REMEMBRANCE	SOAPBOX COMMENTS
Callsign	Category Mode	Soapbox
VJ3W	SINGLE-OP CW HIGH	Great Contest thanks to the organiser(s). Good to see more contacts on higher HF bands, even 10 mtrs.
VK1CHW	SINGLE-OP SSB QRP	Always good to see the bands busy. Some good openings between VK1 & VK6.
VK1MST	SINGLE-OP SSB HIGH	First contest - enjoyed it! Might be some minor teething problems with the first 3 or 4 entries
VK1SPB	SINGLE-OP SSB HIGH	Long time listener first time caller This was my first attempt at a comp Great to hear so much activity and friendly people being so patient with my call sign that dosent roll off the lips
VK2AWX	MULTI-OP MIXED HIGH	All members worked well together and look forward to the next one.
VK2BHO	SINGLE-OP CW HIGH	Every year a good contest
VK2EFM	SINGLE-OP SSB HIGH	Great contest, as always. 80m didn't fire this time and the highlight of teh contest for me was working VK6CLL (Cape Lewin Lighthouse)on 160m.
VK2EZF	SINGLE-OP CW LOW	Thanks to all the contest organisers and participants. I was only able to operate part time and thought I'd give CW only a shot. So thanks to all for enduring my novice CW operating. Great to hear a wide range of years on CW from 3 to 61. Running 80W to a wire doublet on all bands. I operated 160, 80, 40 and 20m. 40m was up and down with s9+ one minute, barely readable the next. 80m very flat with more QSOs on 160m than 80m. Looking forward to the next one. 73.
VK2FO	SINGLE-OP SSB LOW	Fantastic contest. Great to see so many new calls having a go. Using FT710 and an ancient EAT 300 tuner. Unfortunate that 80m appeared to be down. In general, excellent conditions.Thanks to all for the contacts.
VK2KQB	SINGLE-OP SSB HIGH	Great contest,
VK2R	SINGLE-OP MIXED QRP	Operated at Hornby Lighthouse AU0041, South Head, Sydney Harbour in Sydney Harbour National Park VKFF-0473 with KX2 running 5W and ZS6BKW antenna at 8m. WX was sunny and windy. Photos here: https://photos.app.goo.gl/St4KmmBqzokXwXsJA

2024 Remembrance Day Memorial Report

VK2TTL	SINGLE-OP SSB HIGH	I thank everyone for a good contst. Conditions seem reasonable on all bands 80m-10M. Great to hear so many new to AR with less than 5 years! Equip Icom 7300 and Fan Di-Pole , a boot as required only.
VK2YQ	SINGLE-OP SSB HIGH	Great contest, thanks.
VK2YW	SINGLE-OP MIXED HIGH	Great fun QRP at approx 3.5W. Very friendly contest.
VK3ACU	SINGLE-OP CW QRP	Wow my first contest had loads of fun but now time for a nap.
VK3ALF	SINGLE-OP MIXED HIGH	thanks to all it was a fantastic contest 73 to all
VK3APJ	SINGLE-OP SSB HIGH	Great contest, good to see/hear the bands change throughout the contest. Experienced some abnormal band conditions. A bit confusing with the Lighthouse weekend happening at the same time.
VK3ASU	SINGLE-OP SSB LOW	Paper log
VK3CWS	SINGLE-OP SSB HIGH	Operated via Club Remote (VK3CNE) located at Briar Hill near Greensborough Victoria. Transmitter and Receiver are co located at QF22nh.
VK3DL	SINGLE-OP MIXED LOW	Thanks to organisers and testers.
VK3GC	SINGLE-OP SSB HIGH	Great contest as usual, really enjoyed myself and making contacts across multil bands.
VK3HAG	SINGLE-OP SSB HIGH	Home Station. 10m SSB & 2m/70cm FM.
VK3JWT	SINGLE-OP SSB HIGH	Lots of activity on 40m. 10m was oppen during daylight hours. 2 and 70 quiet in Melbourne Diamond discone antennas. Paper log
VK3KTT	SINGLE-OP MIXED HIGH	a good fun event lots of activity especially 160m
VK3MCG	SINGLE-OP SSB HIGH	My first ever contest. Didn't get many but had a lot of fun! Thanks to all the friendly contacts and those who helped me.
VK3OAK	SINGLE-OP SSB HIGH	Thanks for running the contest. And thanks to all who participated.

2024 Remembrance Day Memorial Report

VK3SCS	MULTI-OP MIXED HIGH	Station operated by single operator supervising 11 Joey, Cub, Scout & Ventuerer Scouts. They quickly learned and then took control the station mic, VFO, voice keyer and logging across the full 24hrs, they appreciated the on-air support from the other participants especially when things happening fast. Supervising operator still needs to catch up on sleep. IC-705, 40m EFHW (sloper@10m down to 6m) w/ZM-4 for 80m. According to power meter around 3w PEP from a 6yr old female voice, feel that I could tweak that higher for the future (radio config, not the young Scouts voice).
VK3TCM	SINGLE-OP SSB HIGH	My first time at this. Had a great time and what a great way to appreciate those that have defended this country over all the years.
VK4DRK	SINGLE-OP CW LOW	It was good to hear so many CW ops during the contest. Mostly, I worked each station I heard just once. Thanks everyone, it was fun.
VK4JJ	SINGLE-OP CW LOW	Enjoyed this contest from home. Fairly quiet, but picked up at times. Antennas: telescopic vertical in the back garden with 16 radials for 20/15 and a low inverted-V wire for 40M. Nice to see lots of <5 year operators. Thanks to all who worked me and see you again next year.
VK4JM	SINGLE-OP MIXED QRP	QRP using QMX+ for cw and Lab599 TX-500 for ssb.
VK4M	SINGLE-OP MIXED HIGH	Another great friendly contest. Condx here on 80m were terrible and didn't come alive till later in the evening. Other bands were good with pleny of VK6's on 20, 15 and 10m. Unfortunatley a stomach bug got the better of me and ended up with only 9 hours on air. Good to see many rookies on air. Thanks for all the contacts. GL.
VK4PDG	SINGLE-OP MIXED QRP	Loved the RD Contest. Enjoyed using CW for the first time and SSB. Pity that the band conditions weren't the best over the weekend. Has S7-S8 noise levels at my QTH.
VK4YT	SINGLE-OP SSB HIGH	Another great RD contest. Thanks to all who participated
VK5ARC	MULTI-OP SSB HIGH	Weather was showers, but cleared up in afternoon. Good operating conditions portable. Point malcolm Lighthouse Narrung, SA. PF94ol
VK5DJ	SINGLE-OP SSB HIGH	Friendly contest as always

2024 Remembrance Day Memorial Report

VK5DT	SINGLE-OP SSB HIGH	Great contest, thankyou organisers for running.
VK5FBIC	SINGLE-OP SSB QRP	Portable at Ardrossan Beach off grid camp site
VK6AB	SINGLE-OP SSB HIGH	Paper log
VK6AHR	MULTI-OP MIXED HIGH	Thanks for the contest. This is the first time in a while that HARG has done a contest from its clubrooms, and first time contesting for several members. A pleasing result in difficult conditions.
VK6AKR	SINGLE-OP MIXED HIGH	A member of The Three Musketeers team together with Robert VK6WHO (Team Captain) and Mark VK6EZ Good to have some 23cm contacts and some RTTY as well. Look forward to next year!
VK6CNL	MULTI-OP MIXED HIGH	ndudley@iinet.net.au Nearly got blown away with wind and rain!
VK6DDX	SINGLE-OP MIXED LOW	Good contest, some propogation was good but seemed to be fewer operators heard overall.
VK6DW	SINGLE-OP MIXED HIGH	Havent participated for a few years. Had forgotten how much fun this contest is.
VK6EZ	SINGLE-OP FM HIGH	WH Team1 - Three Muskateers
VK6KMS	SINGLE-OP SSB HIGH	My First time contesting
VK6KQ	SINGLE-OP SSB HIGH	Remembering Adolph Heinrich Gerhard Rippen VK6GR RAN who died serving our nation. Born 28Apr1919 in Fremantle, Western Australia, he died 19Nov1941, serving as a Telegraphist aboard HMAS Sydney; sunk off the WA coast by the German raider Kormoran.
VK6MM	SINGLE-OP SSB HIGH	Operated from North Yunderup
VK6N	MULTI-OP SSB HIGH	Operated from the club using two radios. Had loads of fun.
VK6V	SINGLE-OP SSB HIGH	Awesome serial numbers heard. 59073, 066, 059, 057, 052, 051 congrats!
VK6VP	SINGLE-OP SSB HIGH	Thanks to all for another great RD contest
VK6WHO	SINGLE-OP SSB QRP	worth no sleep
VK6WK	SINGLE-OP SSB HIGH	I got a little behind, could be a couple of errors, not sure though.
VK7C/VK6	SINGLE-OP SSB HIGH	Please count my score towards VK7's total. Location was at Lake Cowan Rest Area, 30kms north of Norseman, WA. Lightening and storm interupted proceedings early Saturday evening.

2024 Remembrance Day Memorial Report

VK7HH	SINGLE-OP SSB HIGH	Great work to all. I wasn't able to participate as long as I'd like, but good to hear many 001's and 002's (returning testers). Thanks to all involved and the organizers.
VK7HXT	SINGLE-OP SSB HIGH	Had a ball and enjoyed this years contest. the contest was better at the new QTH . Well done all and look forward to another year.
VK7ID	SINGLE-OP MIXED HIGH	I tried some CW for the first time and had so much fun. Thanks to all of my CW contacts for being patient with my beginner paddle skills.
VK7KC	SINGLE-OP SSB HIGH	Very enjoyable contest. I look forward to it each year.
VK7OO	SINGLE-OP SSB HIGH	Congratulations everyone, it was another great contest. Personally I'm pretty pleased to work my first VK8.
VK7TW	SINGLE-OP MIXED HIGH	Another fantastic RD - friendly and lots of 001s which I went out of my way to welcome to our hobby. Thanks to all who organise and make this happen.
VK7WN	SINGLE-OP SSB HIGH	Enjoyed once again the Remembrance Day Contest
VK7WW	SINGLE-OP CW QRP	Using WW2 gear has its limitations! Xtal locked on Tx and limitations on Rx filters! I had great fun, with other like minded souls paying respect to thos who we remember - 'Lest We Forget.' (.except for working the high-speed CW Keyboard/Computer Operators who have forgotten the politeness of slowing down to the other station's speed - but then, perhaps they dont know how to make adjustments...or too lazy to do so?)
VK7ZBX	SINGLE-OP SSB HIGH	Another RD Contest done and dusted. Great fun as usual. Tried to be better organised but life got in the way as usual. Discovered some areas that needed improvement. Was very happy to work quite a few people that gave me 001 serial numbers. Thanks to everyone that came on and thanks to the people behind the scenes.

2024 Remembrance Day Memorial Report

VL5L	SINGLE-OP MIXED HIGH	My favourite contest of the year! Conditions on all bands except 10M were very good. Nice to work a few ZL's as well. This year I was using a K9AY / Aziloop steerable receiving array and a horizontal dipole / vertical monopole for transmit on 160M / 80M / 40M. The K9AY was very effective at nulling out the wideband surface radar on 80M A very quiet wideband receiving antenna! There was one other station using this type of antenna during the contest. Take a look at https://quietradio.co.uk/ for more information. The contest seemed to be well patronized this year, with many contesters on the bands. See you all next year! 73 Steve VL5L (VK5SFA)
ZL4RO	SINGLE-OP SSB LOW	Only worked 80M, Band conditions Poor. Only heard 3 VKs here in ZL. the ZL called me for a chat, because no one was coming back to my calls

By visiting [Vklogchecker.com](https://vklogchecker.com) and clicking on the Remembrance Day logo, statistics and graphs showing run rates against other ops may be of interest. Thanks to all who participated and reflected good vibes in soapbox comments as a great friendly contest.

Best 73.

Alan Shannon VK4SN.
