## Remembrance Day Contest 2019

At the risk of repeating myself each year, once again congratulations go to VK7 as the 2019 Remembrance Day Contest Winning state. The number of logs received is commendable with over 17 percent of VK7 licensed operators submitting logs. Imagine the RD if every state did this.!

Congratulations go to the following individuals;

SOPH VK7ZBX 1101 (New Record), SOCW VK2GR 550, SOMX VK5SFA 815, QRPPH VK3FTZD 9, QRPCW VK3MH 336, QPRMX VK3VT 259, MS VK2GGC 1012, MM VK4QH 963.

The highest scoring Rookie was won by Scott VK4MGL with 17 points in the Single Op Phone section.

Top Foundation operator was Paul VK7FPCL with 255 points in the Single Op Phone section.

Top Team was Cronies+1 (VK7ZBX, VK7ZMS, VK7HH) setting a new team record with a score of 2506, beating their own record from last year.

Activity was a little better than last year and some favourable comments for conditions were noted by southern operators. From a VK4 perspective propagation was poor to our southern cousins and they listened to one sided conversation and the unpredictable QSB swinging signals from S9 to absolutely nothing in seconds. VK4's experienced this on most bands with 20 and 40 meters being the worst. The team at VK4QH ran 3 bands at all times and still did not come close to any records, although the ops missed a lot of triple points with sleep overpowering the need for contacts.

185 logs were submitted (174 last year) –includes 1 x checklog and a very late entry not included in the results. One station was disqualified for violating rule 11.3. – (multiple logs from a single operator). 17 multi-operator stations (12 last year) came up on air and most submitted very respectable scores. Paper logs are slowly on the decline with only 6 logs received. A lot of unique callsigns were noted in some logs and on checking one log it was almost deemed “padding” as one call is worked multiple times in a log, but when checked against the ACMA database the callsign does not exist. These calls were scored zero points. Other unique calls were noted where a submitted log exchanged QSO's with a station only showing in one log and claimed points on multiple bands including several bands above 2 meters. Even though it is not against the rules, it is not fair to other contestants and removing all bands above 70cm for next year's contest may produce a competitive level playing field. The idea has been tossed around on social media for a couple of years and seemed to be favourable towards the move and is more in line to the frequencies used by the troops in WWII.

All logging programs worked perfectly except for those operators who still use old versions of software and produce old versions of Cabrillo logs not compatible with the new upload website. The second major problem is operators changing the headers to non standard values and finding the log is rejected on upload. All information is on the WIA RD website page to assist operators but it seems you can lead a horse to water... In saying that, there is a huge improvement in the sites use and the quality of the logs are very high with correct logging of calls and exchanges resulting in a lot of 'golden logs'. The VK Log Checker website will be moved from its current development site to a domain of its own for next year.

A few operators have asked to change the date of the Remembrance Day contest to a specific date. The weekend closest to the 15<sup>th</sup> of August has meaning for our veterans. Recently a group of RSL and ex Veteran groups were put forward the scenario of the RD contest for them to make comment on changing the date. These guys were genuinely horrified and appalled at the notion. They were obviously angry and comments like 'Un-Australian, disrespectful, and lack of compassion and understanding echoed around the room. Someone commented that it would be like changing the

time and date of Anzac Day. Its time and date has meaning and will never be changed. And so fellow hams, the weekend closest to the 15th of August will NOT be changed.

Thanks go to those whom I requested a rewrite or resend of their logs which was gladly done and re-submitted. Big thanks to those involved in getting a guest speaker for the Remembrance Day speech, especially Peter VK1PE. Peter has skills I don't.

As per usual, there is a full report and statistics on the WIA Website in the download area. State winner certificates are in PDF format and can be downloaded and printed by the operator.

CALL	CATEGORY	SOAPBOX COMMENTS
VK2AEJ	SINGLE-OP CW	local noise has blocked out HF comms for me
VK2AWX	MULTI-OP MIXED	VK2AWX
VK2AYD	SINGLE-OP CW	First licence G3HLW in 1951 Antenna blown down after 10 mins operating. Better luck next year
VK2AZ	SINGLE-OP MIXED	Only operated on Saturday. Not as many stations around this year. Didn't work anyone on VHF/UHF
VK2BBQ	SINGLE-OP SSB	Thank you to the organisers.
VK2BJT	SINGLE-OP CW	Appologies for sending the incorrect Sent numbering system. Back from holidays and not reviewed the contest rules. I trust the log will be useful for cross checks if needed. Thanks for the organization again. Sadly t.oo little time to prepare for it
VK2EL	SINGLE-OP CW	FT897 WITH MAG LOOP ON BALCONY, RETIREMENT VILLAGE
VK2EMU	SINGLE-OP CW	MY COMMENTS CW CONTACT ON 2M WITH A FT-290R 2.5 WATTS
VK2FCMD	SINGLE-OP SSB	Thanks very much!
VK2GGC	MULTI-OP MIXED	Great contest again this year. We shutdown the station @23:30UTC on the Sunday a
VK2GR	SINGLE-OP CW	Team leader for "NSW Wombats", the other members were Tommy VK2IR and Patrick VK2PN. 80m and 160m quite noisy at the NSW South Coast rural QTH. CW activity was very limited this year compared to last year.
VK2IR	SINGLE-OP CW	NSW Wombats 2019
VK2KJJ	SINGLE-OP CW	/p from Ryde in Sydney. Again a great contest.
VK2LEE	SINGLE-OP SSB	Mostly Great conditions - excellent conditions from midnight on 80 metres Still the friendly contest..Will Be back next year.
VK2MG/P	SINGLE-OP MIXED	Operated portable from Bouddie National Park VKFF-0049 QF56ql Seemed a bit lighter on than last year, but at least we didn't have the static A large number of operators were giving out sequential serial numbers rather tha It's a shame that we clashed wit the lighthouse weekend as some ops were not giv
VK2MT	SINGLE-OP SSB	Operated portable while camped near Wisemans Ferry NW of Sydney. Radio: Icom IC-7610 Tuner/Coupler: Icom AH-3 Antenna: Non-reasonant Inverted Vee hung from a helpful nearby gumtree. Weather and Band conditions much better than last year. Didn't seem to be as many numbers on the air this year. Good comraderie between the RDeRs, Lighthouse Stations & Parks Activators.

VK2TTL	SINGLE-OP SSB	Thanks for the contest. Conditions OK for 80/40/20m. 100w, Dipole @ 8m Portable at Clarence Head Lighthouse Yamba, Locator QG60QN L, AU0013
VK2YW	SINGLE-OP SSB	Not as many stations this year but good and friendly. Didn't hear any ZLs
VK3AUQ	SINGLE-OP MIXED	Please update your VKCL logger Rig IC7600 Antenna Random wire with AH4 tuner all bands Home brew iambic keyer (early 80's vintage).
VK3BNR	SINGLE-OP SSB	Please update your version of VKCL Logger
VK3CTM	SINGLE-OP MIXED	Gret fun and a good workout for the brain.
VK3DEK	SINGLE-OP SSB	First time I've entered this contest, lots of fun. Happy to make some 160m contacts.
VK3ER	MULTI-OP MIXED	Sorry for late submission!!
VK3FAXI	SINGLE-OP SSB	MY FIRST RD CONTEST! THANK YOU FOR RUNNING IT!
VK3FLCS	SINGLE-OP SSB	Enjoy this contest every year.
VK3JK	SINGLE-OP SSB	Please update your version of VKCL logger
VK3JWT	SINGLE-OP SSB	AN ENJOYABLE CONTEST. MANY STATIONS ON 80M. HIGHER BANDS QUIET. ENJOYED WORKING RD CONTEST STATIONS AND SOME LIGHTHOUSE STNS. ANTENNA - G5RV VIA TUNER
VK3KTT	SINGLE-OP MIXED	only a casual entry woke up at 3 am and got stuck on 160 m and 80m till 6:20 plenty of fun always a good contest
VK3LM	SINGLE-OP SSB	Slow going at ti,es but managed to beat my last years score. Great signals on 2
VK3LRE	SINGLE-OP SSB	please update your version of VKCL logger
VK3MB	SINGLE-OP SSB	Thanks for a great contest, Cheers, VK3MB.
VK3MH	SINGLE-OP CW	Single Operator QRP 5w Home Station
VK3NCC	SINGLE-OP SSB	Deserved Thanks to the organiser for making this happen. The co ordination must be quite telling. The bands were quite noisy for me at various times, and some family commitments meant that the activity for me was erratic over the time. All nice friendly activity, great tohear good operators on the air.. well done everyone!
VK3QB	SINGLE-OP CW	Conditions very good on 40 and 80. Working QRP I worked every station I heard. Numbers seem to be down... recieved this comment from a number of ops. As always a great contest. The RD was my intro to ham radio. Looking forward to next year.
VK3SAY	MULTI-OP MIXED	Scout Station from 1st Kilmore Scout Hall, very little 2M or 70cm traffic heard due to location in a bowl. Local scouts did log each of our on 2m & 70cm when quiet.

## Remembrance Day Contest Report for Website 2019

VK3TIN	SINGLE-OP SSB	All new field day contest station IC-7300 with external RX mod running 90w Tx. TX antenna was a 51m random wire tuned by an LDG RT-600 external tuner driving a homebuilt 9 to 1 UnUn with internal choke that uses a field of radials. The TX Antenna was mounted to an 18m Spiderbeam mast. 18m Vertical component and the remainder sloping to the ground with the end about 3m in the air. RX provided by an LZ1AQ active antenna amp using four homebuilt crossed loops on a homebuilt rotatable assembly. Had an absolute blast with this station.
VK3VT	SINGLE-OP MIXED	Ususally run high power but decided to give QRP a try - I was amazed at how well 5 watts got out
VK4ADC	SINGLE-OP SSB	Too few around this year...
VK4FLR	SINGLE-OP SSB	Very poor conditions , worst I have experienced in 53 years
VK4HH	MULTI-OP MIXED	Note: ZL1AB had multiple operators (lighthouse) and each gave their own number of years in the report
VK4JSS	SINGLE-OP SSB	Thank you to the organisers and all stations. My first RD contest, operated portable in the high country near Stanthorpe. A lot of radio fun ! see you next year.
VK4QS	SINGLE-OP CW	I ENJOYED THE RD CONTEST, ESPECIALLY AS A CW QRP ENTRANT. I FOUND THAT PEOPLE SOAPBOX: WERE PATIENT WHEN IT CAME TO THE NUMBERS, WHICH I APPRECAITED.
VK4WIS	MULTI-OP MIXED	Great contest. Had a lot of fun doing it with the club. Just wish more club members would get involved in contesting.
VK5CB	SINGLE-OP SSB	Low activity on some bands ie VHF. 20m 40m 80m ok
VK5DJ	SINGLE-OP SSB	Great friendly contest. Activity low compared with 60 years ago.
VK5DP	SINGLE-OP SSB	please update to latest version of VKCL logger.
VK5KX	SINGLE-OP SSB	Enjoyed the friendly contest.
VK5LJ	SINGLE-OP MIXED	Thanks Alan for running the contest. Good format, good fun. Generally conditions were pretty good with some QSB.
VK5NE	SINGLE-OP CW	Just a few CW QSOs to keep up the momentum. One day I may just get back to some serious contesting.
VK5OQ	SINGLE-OP SSB	Please in future years can we have the RD contest on a different weekend from the ILLSWE. Splitting participation between the 2 events is not good for either.
VK5PL	SINGLE-OP SSB	Conditions were bad at times, especially Sunday morning, but enjoyed the contest
VK5UE	SINGLE-OP MIXED	Very noisy here
VK6AAK	SINGLE-OP CW	Thanks for the contest. 73

VK7HW	SINGLE-OP MIXED	With HF signals being scarce this year VHF/UHF made it an interesting Contest with lots of local action. Another great RD Contest
VK7JGD	SINGLE-OP SSB	Thanks to all who ran this great contest and to all stations that took part from around VK and ZL it was fun as usual Good to hear the F calls maybe with more power next time Thanks all VK7JGD Garry
VK7KC	SINGLE-OP SSB	High noise level. Took a long time to find contacts. Still enjoy the contest.
VK7KDV	SINGLE-OP SSB	Please upgrade to the latest VKCL logger
VK7LH	SINGLE-OP SSB	Operated during Lighthouse Weekend using VK7LH at Low Head
VK7OO	SINGLE-OP SSB	It was quite a challenge to be competitive from a tiny yard with basic antennas. I was pleased to be able to operate all bands from 160m to 23cm. This included a "thrown together" 1/4 wave on 6m lashed to the side of the house in the hours before the contest started. It was great to be part of a dedicated and enthusiastic group of amateurs making sure VK7 was unbeatable again. An especially big shout out goes to VK7FPCL for doing so well in his first contest with not much on air experience, as well as to those who helped him out with his station setup.
VK7QP	SINGLE-OP SSB	please update to the latest version of VKCL logger
VK7VH	SINGLE-OP SSB	The RD remains the best contest. Had a great time. Limited bands this year. Look out next year. Great support in VK7. Thanks to all and thanks to the contest manager
