Error Log – In TX Callsign Order

Note: No Multi-Operator stations were active due to COVID19 lock downs in southern states.

Remembrance Day Contest 2020 75th Anniversary

VK7 are the 2020 winning state for the Remembrance Day Contest. Who would have guessed? Twenty percent of the states number of total individual licences or 70 percent of actual participants submitted logs. That has to be a world record for log submission! Runners up this year were VK6 with 52 percent of participants submitting logs. Overall log submission increased from 19 percent last year to 30 percent for the number of participants submitting logs. An outstanding effort indeed.

Congratulations go to the following individuals;

SOPH VK7ZMS 1149 (New Record), SOCW VK2GR 408, SOMX VK5SFA 1066 (New Record), QRPPH VK3TWO 442, QRPCW VK3QB 280, QPRMX VK2IO 499. The highest scoring Rookie was won by Tom VK5FAAH with 79 points in the Single Op Phone section. Top Foundation operator was Jeff VK6FJLM with 362 points in the Single Op Phone section. Top Team was Cronies+1 (Richard VK7ZBX, Murray VK7ZMS, Hayden VK7HH) with a score of 2937, beating their own record from last year.

259 logs were submitted (184 last year) –includes 1 x Check-log, showing 32,183 QSO's against 22,781 from last year. Did the extra logs come from operators who normally support a multi-operator station? No, there were only four operators submitting logs who were in a multi-op team last year. That means that there were 52 operators from previous MO stations who did not participate in this year's event. Approximately 890 unique stations participated. No multi-operator stations were allowed this year due to a few COVID19 lock-downs in the southern states. Six paper logs were received and three of them were computer generated! Most logs were uploaded to the VK log checker site but emails were received with logs attached as operators had changed header options and were knocked back for incorrect options on upload. 1,400 log score adjustments over 176 logs were made. It is very apparent that a lot of operators do not use phonetics and most points lost were from incorrect call logging. Greatest number of mistakes were logging of similar sounding letters like, T's n P's, N's n M's, E's n C's, and D's n B's. Other common mistakes were using the same prefix as your call when logging interstate calls and so many never logged the contact at all. Eleven logs had severe time and date problems. I requested fixes, but in the end not much was fixed and many stations lost points because the call worked was not in the other log and vice versa.

Read the operator soapbox comments for views on conditions from their locations.

Big thanks to those involved in getting a guest speaker for the Remembrance Day speech, especially Peter VK1PE. Peter has skills I don't.

What the operators had to say:

Call Sign	Category Mode	Soapbox
VK1DW	SINGLE-OP SSB HIGH	Atmospherics were a major issue!
VK1PE	SINGLE-OP SSB HIGH	Thanks, all.
VK2ACD	SINGLE-OP SSB HIGH	A good contest, thanks. Bad static 80m Sat night.
VK2AYD	SINGLE-OP CW LOW	I MISS MY ANTENNA FARM AND QRO. ALL TIME GMT 1ST LICENCE 21/4/51 AS G3HLW. AGE NOW 90+.
VK2BBQ	SINGLE-OP SSB HIGH	Thank you to the organisers. A great contest. VK2BBQ worked portable until weather forced evacuation.
VK2BJT	SINGLE-OP CW HIGH	Thanks to all for providing another opportunity to remember the people that have fought and died protecting democracy our country stands for, through our hobby. Cheers, Ian
VK2DLR	SINGLE-OP MIXED HIGH	Thanks for all your hard work. Pity there weren't more RTTY stations.
VK2EFM	SINGLE-OP SSB HIGH	Enjoyed the RD Contest 2020! Battled the bad QRN on 80 and 160m early in the evening (RADAR even briefly appeared to add insult to injury). Real buzz was working a few VK6s on 160m, as I was using simple antennas Impressed with the QRP stations as they were punching above their weight ... will be back next year!
VK2GR	SINGLE-OP CW LOW	Team leader for "NSW Wombats". The other team members were VK2BJ and VK2PN. The CW activity was more limited than last year. Bad QRN on Saturday evening. QTH Rural southeast NSW QF54eq
VK2HJW	SINGLE-OP SSB QRP	Operated portable from Olney State Forrest
VK2IG	SINGLE-OP CW QRP	Saturday evening operation only on 160, 80, and 40m. Quiet but enjoyable on CW. Some thunderstorm QRN on 80 and 160m. Tcvr; TS-480HX at 5W output. Antennas; 160m 1/4 wave sloping wire, 80m inverted vee, 40m switched Y-doublet, all ~15m up. Thanks to everyone who answered my calls, and to Alan VK4SN for managing the contest. See you all next year!
VK2IO	SINGLE-OP MIXED QRP	Operated portable at Dharug National Park VKFF-0139 (QF56MO). Rig was a KX3 running 5 Watts. Two antennas were used a double-sized ZS6BKW 9m high and regular ZS6BKW 9m high. VK port-a-log CONTEST was used for logging on my Android phone. Weather was fine and windy both days and there were light showers overnight. Sat night there was heavy QRN. Apart from that HF propagation was good. Photos here https://photos.app.goo.gl/NrnHDzavVaxwWF5p9

REMEMBRANCE DAY CONTEST REPORT FOR THE 75TH ANNIVERSARY 2020

VK2MT	SINGLE-OP SSB HIGH	QTH - Operated portable from a caravan in the bush near Wisemans Ferry (NW of Sydney). Rig - IC-7610 & Antenna - Non-resonant Dipole 60' up a helpful Gumtree. Report - Good fun Contest with quite a few laughs, but certainly no fun on Saturday night when the lightning static crashes were very annoying & rather exhausting. Seemed like there were more VK3's on the air - wonder why? And great to hear so many QRP stations especially camped out in the bush. Thanks to Alan VK4SN for the Contest organising.
VK2TTL	SINGLE-OP SSB HIGH	Thanks for the contest. Conditions were good except for static crashes on 80m. 20m seemed to be available but nearly nobody but dx'ers there. 15m nothing heard. Cheers.
VK2VU	SINGLE-OP SSB HIGH	1st time please be gentle)
VK2YW	SINGLE-OP MIXED HIGH	good fun and thanks
VK2ZDB	SINGLE-OP SSB HIGH	I had lots of fun. The lightning noise on 80m Saturday evening was a real challenge but everyone was so patient. Thanks!
VK2ZG	SINGLE-OP SSB HIGH	Checklog
VK3ASU	SINGLE-OP SSB LOW	Compiled from paper log by VK4SN
VK3BQ	SINGLE-OP SSB HIGH	Melbourne's Stage 4 COVID 19 Lockdown inspired me to fix my broken dipole and turn the Radio ON again after a long hiatus. It was great to work many stations around Australia on 80/40m overnight, though a noticeable lack of 2m/70cm SSB contact this year. Thanks Alan for managing this contest
VK3CTM	SINGLE-OP MIXED HIGH	Great fun. Planning to do some researching of the WW2 coastwatchers and the gear
VK3DRH	SINGLE-OP SSB HIGH	I enjoyed this contest on 75th anniversary of VP Day. Achieved my highest score for a contest. Thanks to all for organising.
VK3DY	SINGLE-OP SSB HIGH	Log transcribed by Michael Binz VK3ALZ/VK3LM
VK3FI	SINGLE-OP SSB HIGH	Compiled from paper log by VK4SN
VK3GC	SINGLE-OP SSB HIGH	Thanks for another great RD contest.
VK3GK	SINGLE-OP SSB QRP	QRP 5W is hard work as it seems the noise floor at most stations nowadays is high Stations I could hear at S9+ were just unable to hear me at all Using 5W and a 40m rotatable dipole at 18m high, 80 just a 1/4 sloper.
VK3HN	SINGLE-OP CW QRP	Thanks to all CW ops and the organisers for another enjoyable RD contest. 160 and 80 CW unexpectedly quiet after 1AM, must have had everyone in the log al
