## Manager's Report.

VK7 are the 2021 winning state for the Remembrance Day Contest yet again. Twenty percent of the states number of total individual licences or 47 percent of actual participants submitted logs. Runners up this year were VK5 with 31 percent of the states participants submitting logs. Approximately 990 operators took part in creating greater log content than in previous years, resulting in much activity for the full 24 hours.

Individual winners were:

SOPH Alan VK2EFM set a new record with 1215 points,  
SOCW Allan VK2GR 456,  
SOMX Lawrie VK5LJ with a new record of 1176,  
QRP PH Heath VK3TWO set a new record with 612 points,  
QRP CW Chris VK3QB 278,  
QPR MX Gerard VK2IO with 293 points.

The highest scoring Rookie was won by Scott VK2SDX scoring 210 points in the Single Op Phone section. Top Foundation operator will not be included in future because call sign allocations no longer represent licence grade.

Team and Multi Operator results:

Multi-multi section goes to the Northern Corridor Radio Group VK6NC with 1334 points.

Multi-single section was taken out by VK4KW with 1150 points.

Top Team was Cronies+1 (Richard VK7ZBX, Murray VK7ZMS, Hayden VK7HH) with a score of 2932.

310 logs were submitted (256 last year), showing 38,076 QSO's against 31,872 from last year. Five paper logs were received and one of them computer generated. Most logs were uploaded to the VK log checker site but some operators experienced errors due to server issues and were then forwarded to the manager for processing. Some 82 contestants forgot to upgrade VKCL logger and were unable to upload directly to the log checker site. Everyone should check for the most up to date versions of logging software prior to any contest. Updates include advancements in submission techniques, rule changes, scoring and bug fixes.

Logging errors required 1,459 log score adjustments. As mentioned in last year's report, it is apparent that a lot of operators do not use phonetics and most points lost were from incorrect call logging. Greatest number of mistakes were logging of similar sounding letters like, T's n P's, N's n M's, E's n C's, and D's n B's. Other common mistakes were using the same prefix as your call when logging interstate calls. 200 QSO's were never logged at all. Some logs contained severe time and date problems which lost points to both operators as they did not appear in the log at least 15 minutes either side of the logged QSO time. Many points were lost due to the logging of the incorrect band - Prominently VK7's as jumping from one band to another without due care to logging details correctly.

Loggers used verse users - VKCL 268 (82 used out of date and over 10 different versions), N1MM 14, Typed up by the manager 12, RD Logger 10, Logger converters 3, Personally typed up 2, and SD logger 1.

STATE	NR of LOGS	LOGGED CONTACTS	PH	CW	RAW SCORE	WEIGHING FACTOR	WEIGHTED SCORE	Percentage of Licencees who put log in	Percentage of Participants who put log in

Table 1. Logs and contacts submitted showing VK7's huge weighted winning score.

Rule changes may take place next year. After receiving a few complaints regarding unfair advantages in certain geographical locations, discussions with radio committee members and operators from these locations are mostly in agreement. These rule changes will not affect state results in any way. It will however reflect the operating frequencies actually used in the era and in line with original rules. Changes will keep individual operators on a level playing field. It is suggested that all frequencies above 70cm could be removed from the contest or should there be a VHF and above category, or just leave it as it is? Feedback appreciated.

As per usual, there is a full report and statistics on the WIA Website in the download area. 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place getters will receive a printed certificate from the WIA office, and state winner certificates are in PDF format and can be downloaded from the website and printed by the operator.

Thank you to those involved in getting a guest speaker for the Remembrance Day speech, especially Peter VK1PE, and those who put the Speech to air.

Full results and statistics below.

Best 73 and see you next year. Alan VK4SN.

## Soapbox Comments

Callsign	Category Mode	Soapbox
VK1DA	SINGLE-OP CW HIGH	Unable to put much time into this event. some nice signals heard.
VK1PE	SINGLE-OP SSB HIGH	Opening sequence broadcast on 14.265 before contest opened.
VK1PWE	SINGLE-OP CW HIGH	Log Checkers - This is the first time I've used VKCL and I hope this has been configured correctly. I was unable to see how to include my serial sent (this log was created post-contest). As it is, the serial sent reflects the years licensed (ie, 38, as filled in when I set up VKCL). I have included the serial sent in the comments section, but this does not reflect in the Cabrillo output....sorry! Please let me know if I can assist you in fixing this.
VK2AYD	SINGLE-OP CW LOW	A few watts and a dipole at 7mts worked ok. But oh how I miss my antenna farm. You can judge the av age now. Lots of OT's (I'm 91)
VK2BFC	SINGLE-OP SSB HIGH	Great contest in poor conditions. Only worked 40m but had enormous fun.
VK2BHO	SINGLE-OP CW HIGH	Noted.. no operators in the 20-30 year group
VK2FO	SINGLE-OP SSB HIGH	Great fun. Once again I apologise to the many station I could pull out of my local S9 noise. The only good thing from covid is that there were plenty of stations at home to participate in the contest
VK2GR	SINGLE-OP CW LOW	Slow going as a CW only operation. a few different callsigns this year. QTH south east NSW QF54eq
VK2IG	SINGLE-OP CW HIGH	Had a few hours on Saturday night (in between doing some antenna calculations) and an hour on Sunday afternoon to give out a few numbers. Only used 160 & 40m this year - during the week before the contest, a kangaroo collided with the post supporting the 80m antenna feed system and took it off the air! Station consisted of a TS-480HX at 100W output and a 1/4 wave sloping wire on 160m and a Y-doublet on 40m. Thanks very much to all those who answered my calls, sorry if I missed anyone, and thanks to the contest manager for running it again this year. Catch you all in the next contest!
VK2IO	SINGLE-OP MIXED QRP	Operated portable at Coolum Creek Conservation Park VKFF-1518 in VK4. Radio was an Elecraft KX3 @ 5W. Antenna 1 was a ZS6BKW @ 9m. Antenna 2 was a 160m EFWH @ 12m. Propagation was reasonably favourable with low QRN and no QRM. Sustaining a run on 5W from VK4 was not happening so most contacts were hunt and peck. Had a lot of fun in the contest.
VK2JCC	SINGLE-OP SSB HIGH	Hi, I never set out to win only to boost points for VK2. It was a lot of fun. Thanks for the great software for logging. 73 Colin vk2jcc
VK2JNA	SINGLE-OP SSB HIGH	great fun. 160m constructed in 20minutes

VK2KI	SINGLE-OP CW HIGH	Great contest, and I really enjoyed watching the years licensed numbers. Thanks Alan and the Contest Team.
VK2KJJ	SINGLE-OP CW HIGH	great contest. Nice to meet people you haven't had qso with for long time.
VK2KQB	SINGLE-OP SSB HIGH	Had high noise levels. Due to other committments could not operate longer this year.
VK2LEE	SINGLE-OP SSB HIGH	Great Contest -
VK2MT	SINGLE-OP SSB HIGH	No low-noise operating while camped at a remote sheep farm this year due to COVID. Suburban noise levels at home from S5-S9+, but certainly more comfortable & no battery capacity worries. Seemed like more stations were on the air maybe due to the Lockdowns. And for a nice change this year, no massive static crashes from storms. Some good laughs near the end when lack of sleep was kicking in! Thanks to Alan for organising. Catch you all next year.
VK2NMZ	SINGLE-OP SSB QRP	For the first time participating in the contest, I enjoyed it. Challenging running a QRP station with many stations bleeding over upto 30khz away making operating frustrating, FT-818 6W, Sotabeams linked Dipole. Looking forward to next year!
VK2PV	SINGLE-OP SSB HIGH	Great contest
VK2UE	SINGLE-OP CW HIGH	Very disappointing amount of RTTY.
VK2VE	SINGLE-OP SSB HIGH	Had a great time in the contest. Thanks to everyone who was on the bands.
VK2WQ	SINGLE-OP CW LOW	Enjoyed some good 40m CW activity on Sunday morning
VK2XJM	SINGLE-OP SSB HIGH	Had a great time with the contacts I made.
VK2YW	SINGLE-OP SSB QRP	Hard going at times on Saturday running around 5w but managed a VK6 contact on 80m. Quite enjoyed handing out contacts.
VK2ZK	SINGLE-OP SSB HIGH	Excellent contest. Convivial atmosphere and great to hear old and new ham alike. Op conditions IC-7300, AL-811amp, 20-10metre multiband vertical and 40/80 trapped dipole @ 9 metres
VK3BOY	SINGLE-OP SSB HIGH	Thanks, I had a ball.
VK3CWS	SINGLE-OP SSB HIGH	Worked through Remote Station VK3CNE
VK3DID	SINGLE-OP CW HIGH	Have not been in a contest for some years. Really enjoyed getting back on air, even with limited antenna!
VK3DRH	SINGLE-OP SSB HIGH	Only a modest entry this year (as was feeling under the weather from my covid jab yesterday afternoon). Nevertheless thanks to all for organising.
VK3FI	SINGLE-OP SSB HIGH	Longest licence period heard during my couple of hours on air was 63
VK3FUR	SINGLE-OP SSB HIGH	From Richmond, VIC apartment with loaded vertical squidpole out of apartment balcony window. S9 noise on all bands. <a href="https://twitter.com/xssfox/status/1426386382310707200">https://twitter.com/xssfox/status/1426386382310707200</a>
VK3HN	SINGLE-OP CW QRP	Short Sunday morning QRP CW session this year. Is it 'number years since issued Amateur Operators Certificate of Proficiency' or 'number years you have held a station license'? Mine are not the same (43 and 40).
VK3IE	SINGLE-OP SSB HIGH	first time...bit of fun )
VK3JWT	SINGLE-OP SSB LOW	Enjoyed this years RD during Melbourne lockdown. Friendly contest. Many stns on 80 and 40m. FT-847 into G5RV via FC-20 Tuner
VK3KTT	SINGLE-OP SSB HIGH	a great contest lots of activity and lots of fun had here
VK3MB	SINGLE-OP SSB HIGH	A great contest this year. 40 and 80 where a lot of fun. Thanks
VK3QB	SINGLE-OP CW QRP	Conditions better than last year but maybe numbers were down. Great to get ZL on 20, 40, 80 and 160 with QRP. Shame there wasnt more activity 1-6am for bonus points Thanks Alan for another fun contest,
VK3SAY	SINGLE-OP SSB HIGH	Due to Covid restrictions, the station was operated by one operator only.
VK3SN	SINGLE-OP SSB HIGH	Great event! Nice to hear new voices too. Thanks for all the effort to make this happen.
VK3TIN	SINGLE-OP SSB LOW	Working from home and didn't push it too hard. Stay safe everyone out there in lockdown.. MW
VK3TWO	SINGLE-OP SSB QRP	Had a blast. QRP was most challenging on 160m, with most stations not hearing me. Great reports for 5W otherwise. Was disappointed several 'power stations' not bothering to check multiple times with Is this frequency in use?"
VK3UKW	SINGLE-OP SSB HIGH	HF IC-7300 VK4-ICE End-Fed, 100W VHF IC-7000 vertical 2m dipole, 50W

VK3VB	SINGLE-OP CW QRP	Enjoyed contest. Felt participation was down on last year. Several stations suffering QRM and unable to get contact over event even though well over S9 here. QSB was brutal on 40m. I had 3 antenna's to switch between and randomly one would be 3-4 points stronger. Would love to be able to have a CW QRP category in teams - I think this could be promoted well within VK QRP and FISTS and be popular. thanks for organising - enjoyed the event
VK3VDP	SINGLE-OP MIXED HIGH	Great contest. Would like a separate RTTY category next time.
VK4ACN	SINGLE-OP SSB HIGH	Just a Sunday attempt due to work commitments on Saturday. Highlight was VKOPD First RD Contest, great fun but tough running QRP from suburbia.
VK4FABN	SINGLE-OP SSB QRP	Name column = frequency
VK4GTR	SINGLE-OP SSB QRP	Thank you for another great WIA Contest. We tried rapid QSY between bands with only one transmitted signal on air at any one time. The User Defined Contest Modules created by VK4SN worked a treat with N1MM Logger and monitored breeches of the one transmitter only on air rule
VK4KW	MULTI-OP MIXED HIGH	Seemed much busier this year with band condx a bit better, although QSB affected me often. I put up a 1/2 wave 80m dipole to give me some NVIS advantage, and was glad I did as the vertical struggled to pull in some signals. Good to work many VK6's across most bands I Worked on average 43 stations per hour over 15 hours. CW attracted Europe ops in the WAE contest in the early morning on 80m and a small pile up hindered my VK QSO's. In the end I had to go back to voice and leave the pile up wondering where I was. Seems VK Only" and "CQ RD" has no meaning. LOL. Great ops on air
VK4SN	SINGLE-OP MIXED HIGH	Kenwood TS590SG INV VEE'S
VK4ZI	SINGLE-OP SSB HIGH	For some reason, VKCL was not incrementing the Sent ID numbers instead seemed to use the number of years currently licensed. There is one sequence missing from the log - 004. Log submitted to confirm other contestants.
VK5AVQ	SINGLE-OP SSB HIGH	Transcribed from paper log, post contest. Single Op / VHF up / Phone My first use of this program
VK5AYD	SINGLE-OP SSB HIGH	Great contest.....thanx to all who participated....cu next year.....
VK5CB	SINGLE-OP SSB HIGH	40m and 20m good conditions , changing conditions and noisy 80m 160m
VK5DT	SINGLE-OP SSB HIGH	Thanks for running the contest, always great fun. Cheers
VK5JAK	SINGLE-OP SSB LOW	First Year - First Contest
VK5KK	SINGLE-OP MIXED QRP	Portable Microwave QRP" power levels as follows. 23 cm = 2W
VK5LJ	SINGLE-OP MIXED LOW	Generally pretty good conditions on all bands, most VK6's heard with good signal strength. Great format helps to keep the contacts going. Good fun using 100w and a couple of wire antennas.Thanks Alan for running the contest.
VK5NYD	SINGLE-OP SSB HIGH	Great contest this year....Thanks to all who participated.....
VK5OQ	SINGLE-OP SSB HIGH	Beautiful day for portable operation for once. Previous couple of contests where I've been portable have been awful WX Location Nantawarra about 20 km north of Port Wakefield.
VK5PL	SINGLE-OP MIXED HIGH	Conditions were quite good apart from Sunday morning when it was a bit noisy here. Had fun.
VK5RS	SINGLE-OP SSB HIGH	Thank you for the contest - it was great fun! Cheers
VK5SFA	SINGLE-OP MIXED HIGH	Really enjoyed this year's RD contest. Thanks to the organisers and all participants. Quite a low noise floor on most bands which was a bonus! 73
VK5XY	SINGLE-OP MIXED HIGH	Great fun.
VK6AKR	SINGLE-OP FM HIGH	Forms one station for Team WH-1, others are VK6FRDM and VK6EZ
VK6COL	SINGLE-OP SSB HIGH	We need more E/S contacts, they seem not interested in WA.
VK6DDX	SINGLE-OP SSB HIGH	Another good RD contest; conditions not overly generous in WA and there seemed to be lower numbers taking part. All participants I met were friendly and encouraging and demonstrated great radio communicating skills.
VK6FD	SINGLE-OP SSB HIGH	Would be very helpful if the Export functions were a main menu item and not hidden in the log window. Might help to get more people sending their logs in. Cheers John

VK6MJC	SINGLE-OP SSB HIGH	Thank you for organising the contest. Cheers MIke 73
VK6MM	SINGLE-OP SSB HIGH	Operated from North Yunderup
VK6NC	MULTI-OP MIXED HIGH	Great contest as usual
VK6NCB	SINGLE-OP SSB HIGH	Thank you to everyone I worked, great to be part of another enjoyable weekend of amateur radio
VK6NT	SINGLE-OP SSB HIGH	Contests made from Home.
VK6NUL	SINGLE-OP SSB HIGH	New to hobby, first time contest. Great weekend.
VK6POP	SINGLE-OP SSB HIGH	Portable ops from Greenhills WA Thanks for the contest
VK6VZ	SINGLE-OP MIXED HIGH	My first RD for a few years - great fun. The change to allow interstate QSOs on HF is interesting, but this favours highly populated states. Think there should be a state multiplication factor - the most populous state NSW has a multiplier of 1, VIC is 1.226, QLD is 1.573, WA is 3.060, SA is 4.615, TAS is 15.092, ACT is 18.940 and NT is 33.146. Now that would make it fairer, more fun and encourage participation!
VK7GN	SINGLE-OP MIXED HIGH	My computer is on gmt so hope I got adjustments for scoring at night correct!
VK7GS	SINGLE-OP SSB HIGH	Great 24 hours look forward to next year
VK7HH	SINGLE-OP SSB HIGH	Great contest, good to hear so many 001 stations on air. 80m proved to be rather good over the duration of the contest. Live streamed to the world with over 4000 views and lots of interested in VK contesting. You guys are so polite in the way you conduct yourselves on air" was the comment I saw the most. Well done to all. "
VK7HXT	SINGLE-OP SSB HIGH	VK7HXT Harry Thow contesting on Queens Domain, Tas. My first time on the RD contest and absolutely loved every minute of the contest. Well done all to part take in this great event. 73
VK7IF	SINGLE-OP SSB HIGH	Another great RD
VK7JGD	SINGLE-OP SSB HIGH	thanks to all who were involved in running this contest and all the players who took part great to see the 001 stations
VK7KAJ	SINGLE-OP SSB HIGH	Another good contest. Thanks to all.
VK7KC	SINGLE-OP SSB HIGH	Always enter this contest but not many contacts this year.
VK7KPC/Q	SINGLE-OP MIXED QRP	Thanks again for managing this contest
VK7NTK	SINGLE-OP FM HIGH	Thanks all, a fun day
VK7OO	SINGLE-OP SSB HIGH	Good to be indoors while wet and wild weather lashed Hobart. Luckily no antennas lost.
VK7RD	SINGLE-OP CW HIGH	An enjoyable contest even though I only worked a few hours this year. Pleasantly surprised by the number of new callsigns and also a few old timers who've become active again after a long break!
VK7STO	SINGLE-OP MIXED LOW	My first time in contest. Please let me know if I have done anything wrong. I am 001 years licenced. Operating an Icom-705 on 10 Watts in North West Tasmania.
VK7TW	SINGLE-OP SSB HIGH	Great friendly contest - great to see so many operators that had been licenced for one year.
VK7VH	SINGLE-OP SSB QRP	Tough conditions this year. Only had antennae for 40m and 80m and operated QRP. Still had a great time. Many thanks to the contest manager.
VK7WN	SINGLE-OP FM QRP	This contest certainly was a blast, literally! At the Mount Nelson Signal Station exposed to gale force winds, especially on Sunday morning. Sitting comfortably inside car working 2m/70cm. Used two handhelds 5W and two external antennas. Great to hear the 001s contesting as well.
VK7XHJ	SINGLE-OP SSB HIGH	VK7XHJ Xavier Thow Contesting from the Queens Domain, Tas
VK7ZBX	SINGLE-OP SSB HIGH	Thanks to those who organised the contest, wrote the software, looked after servers etc. Thanks also to those wwho took the time to participate. It was great to hear and work so many handing out the 001 number.
