

Remembrance Day Contest 2022

Congratulations to VK7 for winning this year's Remembrance Day contest.

Approximately 1,130 participated with 262 logs submitted, including seven paper logs. Three late logs were received after log closure and were not able to be included.

There were just over 1,200 logging errors. The usual failure to use phonetics caused many individuals to lose points who should not have. The new prefixes are still settling in with some users logging VK instead of VJ or VL. Those not using phonetics with the prefix of VJ are being logged as VK quite often. So many calls were just not logged at all, resulting in loss of points for those not logged. One log was received without any correct exchanges resulting in a zero score and others obviously post created and failed to get times correct. All goes to show that checking and double checking the log before submitting is a must. Just do a quick visual to check all the columns have the relevant info and a check of the header to confirm your details and category entered. And it's a good idea to make sure you have the correct log as the server rejected an OCDX log, a JMMFD log and two Trans-Tasman logs. 😊

Well done to Nic, VK7WW who used WWII equipment and actually gained 3rd place in the QRP CW section. Nic said he used a BC348 Receiver with a Whaddon MkIII Transmitter. Pictures below.

BC348 is top right in this picture

Whaddon MkIII Transmitter

Soapbox comments were very favourable with most agreeing that conditions were excellent especially for the QRP operators. All certificates for state winners, ZL, and others, along with a full expanded report and statistics are available on the WIA website under contests.

Operator Soapbox Comments

VJ3E	MULTI-OP SSB HIGH	Ops VK3UKW, VK3FTOM Radio IC7300, IC9700
VJ3W	SINGLE-OP CW HIGH	Participated in memory my father: CPO Leading Telegraphist, Les Young (DSM) SK Ex ZL2KK, VK2BLY. Pity more stns did not use 20 - 28 MHz. Worked couple ZL's
VJ4K	MULTI-OP MIXED HIGH	The RD really is the friendly contest, the introduction of the operator names list on N1MM was awesome. Thanks to the VK Log Checker team and to everyone who gave us a call. But above all thank you for your service, Veterans past and present and serving.
VJ5Z	SINGLE-OP MIXED HIGH	My first RD using CW, it won't be my last! What a great contest.
VK1PE	SINGLE-OP SSB HIGH	Antenna issues, and family commitments, limited my ability to work the Contest. (But, I did produce the RD Opening Speech, again.)
VK1RF	SINGLE-OP CW HIGH	Is log invalid? In error, I used a sequential number instead of years licensed
VK1TTY	SINGLE-OP MIXED HIGH	Lots of fun was had, Very interesting to see band conditons late at night being able to work low power
VK2BHO	SINGLE-OP CW HIGH	as always a great contest and good to see several new amateurs in the log , ..

VK2BPL	SINGLE-OP MIXED HIGH	Enjoyed the Contest.. Lest we Forget
VK2CCC	SINGLE-OP CW QRP	For fun, decided to work using 500 milliwatt power, using KX3 with attenuator, microHAM RF power meter, and EFHW antenna @ 22 m. Many thanks to all for your patience in copying my weak signal. Will be looking forward to next year's contest.
VK2DAY	SINGLE-OP MIXED HIGH	One of the nicest contests I have been in. Everyone was very well behaved and noticeably polite. Hopefully, do it all again next year.
VK2EL	SINGLE-OP CW LOW	Age no 94, Rig IC7300, Ant Balcony railing. Thank you for your efforts. Log created by VK4SN from paper entry
VK2FRKA	SINGLE-OP SSB QRP	5 watt qrp with yaesu ft450d ,home brew ladder line fed doublet
VK2JCC	SINGLE-OP MIXED QRP	Decided to only operate QRP this year. Used 5 watts max. into a homwbrew vertical antenna. I think it was more of a challenge using 5 watts. I really enjoyed the contest. Thank you organsiers.
VK2JNR	SINGLE-OP SSB QRP	MY COMMENTS
VK2KJJ	SINGLE-OP CW LOW	Great contest, good condition. vy 73 es cu agn de vk2kjj / joe
VK2KZV	SINGLE-OP SSB QRP	foundation license holder for about six weeks
VK2LDM	SINGLE-OP SSB HIGH	Hi Allan, Just letting you know that I did not work station VK2ATZ during the 2022RD Contest.
VK2LEE	SINGLE-OP SSB HIGH	Great Contest as usual - stuck with 2 antennas - 40 & 80m.. others out of action due to cockatoos. Slow going at times - but that is normal in contests. Some very tired operators on Sunday mornng early.. lots of New Hams also.
VK2MT	SINGLE-OP SSB HIGH	Operated in the bush near Wiseman's Ferry with a multiband dipole up a gumtree. Apart from a little OTHR on 80m, the bands were realtively noise-free, although some conditions on 40m were unusual with signals taking massive QSB dives and paths working best only one-way. A lot of fun was had although sleep deprivation can be challenging. Thanks everyone!
VK2R	SINGLE-OP MIXED QRP	Operated at home as portable site closed. Good propagation so QRP was enjoyable.
VK2TTL	SINGLE-OP SSB HIGH	Thanks for the Contest, Sunday Morning only, 20m was well Alive with plenty of VK6,5,ZL, and 3D2BT Brad Dropped in to say Hello.
VK2WQ	SINGLE-OP CW HIGH	80m was all tx qrp (3 watts) to a G5RV ant ... 40m was mainly 100w (with EFHW ant) but included some 4 watt qrp. An enjoyable contest. Thanks and 73
VK2YW	SINGLE-OP MIXED HIGH	Only operated Sunday for a few hours as I was away the day before. But as usual - a lot of fun. Thanks to organisers.
VK2ZHE	SINGLE-OP SSB HIGH	I wasn't able to get on air until Sunday morning so I only made a small number of contacts this year. It was great to see the activity on the bands for the RD, 73
VK3ADW	SINGLE-OP SSB HIGH	My first RD contest was in 1951 using a homebrew rig and army surplus R107 receiver
VK3AQZ	SINGLE-OP SSB HIGH	Some early numbers I sent were progressive by mistake instead of yearsof service. Apologies. I have used the numbers I sent in my log.The other staion will also show those numbers. I beleive that is okay as long as the numbers match.
VK3ASU	SINGLE-OP SSB LOW	Log created by VK4SN from Paper log entry
VK3ATL	SINGLE-OP SSB HIGH	Re-submitted log for Single OP entry. I was the only op that turned up. It seems everyone preferred to stay at home on what was a pretty inclement weekend. Never mind, I had a ball! Bert, VK3TU
VK3AUQ	SINGLE-OP MIXED HIGH	Fun contest. Not much VHF activity, most of my VHF contacts were on 23cm. HF was CW only until the dying minutes when I had a series of contacts with VK3MH. We were attempting to fill in all possible bands activated and I had one 10 mtr ssb QSO. Running 100W to an 80 Mtr inverted vee with tuner for 160 - 10 Mtr. Homebrew iambic keyer from about 40 plus years ago. VK3GF on 40 Mtr @ 0755 may have been using a serial number instead of years licenced.

VK3CWS	SINGLE-OP SSB HIGH	Operated via Club Remote Station VK3CNE located at Maidenhead position QF22NH
VK3DEN	SINGLE-OP SSB HIGH	Standard phonetics makes life easier
VK3GK	SINGLE-OP MIXED HIGH	Excellent conditions with a few good runs from VK6. I noticed lots of 001 and other low cyphers being exchanged. Very good to see newly licenced operators participating in contesting. CU all next year de VK3GK
VK3JK	SINGLE-OP SSB HIGH	Please update VKCL from 3.13 to 4.15 please.
VK3JNI	SINGLE-OP SSB HIGH	Enjoyed the contest but a few observations: 1. the new 4x callsigns result in more QRZ requests. 2. having a contest to say your callsign the fastest does not help when conditions are poor. 3 Please bring back the VHF/UHF segment of the contest. This would help new operators with limited equipment and antennas
VK3JWT	SINGLE-OP SSB HIGH	Log created by VK4SN from Paper log entry. Good to hear many stations on HF and some on VHF. First time ZL contact during many RD's. G5RV was used on HF.
VK3KRL	MULTI-OP MIXED HIGH	Great afternoon/evening supporting 7 Cub Scouts from 1st Sandringham Scout Group do all of the work to setup the antenna & station in the park by our Scout hall before they searched for the CQ calls, made the QSO and logged the callsign/exchange - sorry for anyone we missed or got wrong, they were so excited - even when the laptop with VKCL had a fit and lost the radio. IC-705 running 5w, 80m EFHW, AV-600 meter all on battery
VK3MB	SINGLE-OP SSB HIGH	Thanks, had a bit of fun giving out numbers this year.
VK3NCC	SINGLE-OP SSB HIGH	Thanks to those organising so this event occurs , WEll Done
VK3PCC	SINGLE-OP SSB LOW	An enjoyable first contest, all operators were patient & helpful
VK3QB	SINGLE-OP CW QRP	Conditions were better than last year and great to see more people stayed up for the bonus points overnight. Thanks once again Alan VK4SN for making this an ongoing success.
VK3V	SINGLE-OP SSB HIGH	Operated portable from the Kurth Kiln Regional Park.
VK4KM	SINGLE-OP SSB HIGH	Hopefully, scores help other stations. 73's
VK4MGO	SINGLE-OP SSB QRP	First Contest
VK4SN	SINGLE-OP MIXED HIGH	Great conditions on all bands this weekend. Lots of VK6. Glad I got the 80m loop up as it heard much more than my DX vertical did. 40m 4 square proved itself again. Thanks for all the contacts. Everyone vry friendly - great fun.
VK4TE	SINGLE-OP SSB LOW	Log created by VK4SN from Paper log entry
VK4TGL	SINGLE-OP CW QRP	Thanks to all the ops for their effort in extracting a valid exchange from my QRP signal.
VK4XQM	SINGLE-OP CW LOW	Log created by VK4SN from paper log submission
VK5BC	SINGLE-OP SSB HIGH	Enjoyed contest
VK5CB	SINGLE-OP SSB HIGH	40m real good Lack of stations on vhf 10m and 15m
VK5DC	SINGLE-OP CW HIGH	A great opportunity to hone CW skills and meet a few fellow amateurs whilst acknowledging the sacrafice of our Australian Service personnel
VK5LOL	SINGLE-OP SSB LOW	Log created by VK4SN from Paper log entry
VK5PX	SINGLE-OP SSB HIGH	Hard work making contacts from South Australia. Coonditions were poor and there did not appear to be a lot of stations on air.
VK5XY	SINGLE-OP MIXED HIGH	All good fun - many thanks --- Colin
VK5YX	SINGLE-OP SSB LOW	Log created by VK4SN from Paper log entry
VK6CSW	SINGLE-OP SSB HIGH	Thanks for a most enjoyable contest
VK6DDX	SINGLE-OP SSB HIGH	Thank you for a fun contest. ""That Rabbit-proof fence seems to absorb a lot of signals from the east!""
VK6FD	SINGLE-OP SSB HIGH	It would be very helpful if a detailed list of instructions on how to submit a log file was shown PROMINENTLY on the WIA web site. I waste so much time just trying to submit a log, not sure its worth the trouble.

VK6HC	SINGLE-OP MIXED HIGH	Started off as multiop but in the end was just myself representing ham college. That's not to diminish the overall contributions of members to the club who volunteer several hours weekly helping new hams obtain their licence.
VK6HV	SINGLE-OP SSB HIGH	Log created by VK4SN from Paper log entry
VK6IS	SINGLE-OP SSB HIGH	it was only for an hour, on each band, but it was fun to do.
VK6NCB	SINGLE-OP SSB HIGH	Thank you to all who participated, had a great contest,
VK6POP	SINGLE-OP SSB LOW	Portable, 40m vee beam pointing East
VK6QS	SINGLE-OP SSB HIGH	Great contest - thanks everyone
VK6SJ	SINGLE-OP SSB HIGH	Good fun. Wish I'd had more time to participate
VK6WE	SINGLE-OP SSB LOW	Just had a bit of fun at the end of the contest!
VK7AG	SINGLE-OP FM QRP	IC-705 and a magmount
VK7C/VK2	SINGLE-OP SSB HIGH	I operated a portable station from Ponto Falls between Dubbo and Wellington in VK2. 100w into a doublet antenna about 13m in the air. Rain off and on all weekend, incl 40 mins off air for a thunderstorm. We had to watch and shoo away the very friendly and tame young cows grazing in the camp area, and because of them we could not put up a vertical antenna.
VK7GN	SINGLE-OP MIXED HIGH	Dropped out when non of my 80 meter antennas would work - I have three Hi Martin
VK7HH	SINGLE-OP SSB HIGH	Great contest, lots of activity. 80m and 40m good signals.
VK7HXT	SINGLE-OP SSB HIGH	modes: ssb and FM
VK7IF	SINGLE-OP CW HIGH	80 km/h winds blew my vertical down about 0200 local making this a most memorable contest. Thank you to all the CW operators who tolerated my slow and clumsy morse.
VK7JGD	SINGLE-OP SSB HIGH	THANKS FOR A GREAT RD CONTEST AGAIN GOOD TO SEE ALL THE 001's AND 002's AND THE HIGH 'SCORES' AS WELL 73 GARRY VK7JGD.
VK7KC	SINGLE-OP SSB HIGH	Always enjoy the Contest.
VK7KPC/Q	SINGLE-OP MIXED QRP	Good fun thanks. Had some finger trouble with electronic log and lost 2 7MHz SSB SOAPBOX: contacts that occurred between 1:57 and 2:32 on Sunday. One was VK7ZBX but I don't SOAPBOX: remember other callsign. Serves me right for depending on software and pc. Peter VK7KPC
VK7LEE	SINGLE-OP SSB HIGH	Challenging atmospheric conditions but still managed to get a decent score compared to my last effort !! Thanks to everyone for a great contest.
VK7OO	SINGLE-OP SSB HIGH	VK7 rocks!
VK7RD	SINGLE-OP CW HIGH	Another enjoyable RD Contest!
VK7TW	SINGLE-OP SSB HIGH	Thanks to all organisers for another great RD contest. Fantastic that there were lots of 001 signal reports. 73, VK7TW
VK7WW	SINGLE-OP CW QRP	The ""graveyard shift"" from 1pm to 6pm was a struggle on 160m when you are QRP and crystal locked on 1815!
VK7ZBX	SINGLE-OP SSB HIGH	Thanks to everybody for their participation. A greattime was had. Looking forward to next year already.
VL3E	SINGLE-OP MIXED HIGH	Good conditions and plenty of activity. Only a very part time effort but quite a bit of fun.
ZL3AB	CHECKLOG CW LOW	The WAE CW contest made this a struggle to find participating VK stations
ZL3ART	SINGLE-OP SSB HIGH	Due to band and time availability this is a very small entry so will probably be considered a Check-log. Thanks for the opportunity to make trans-tasman QSO, I would like to have a bit more rag-chewing trans-tasman! 73
